# RESILIENCE AND GROWTH

## HEETON HOLDINGS LIMITED Annual Report 2022

11

# CORPORATE PROFILE

Heeton Holdings Limited is a real estate company focused on property development, investment and management. Established in 1976, the Company was listed on the Singapore Exchange in September 2003, and has since extended its business frontiers beyond Singapore to the United Kingdom, Thailand, China, Japan, Malaysia, and Vietnam.

As a boutique property developer, Heeton enjoys a reputation for distinctive and high quality developments in some of the world's major cities including Singapore, London and Bangkok. Heeton has also formed strong partnerships with other established real estate groups to develop properties locally and internationally.

Heeton's growth in the property industry is underpinned by a stable portfolio of real estate assets that includes commercial properties (shopping malls and serviced offices) and hotels. Heeton entered the hospitality sector in 2011 with the acquisition of the Mercure Hotel Pattaya, Thailand. The Group has 13 hotels in operation worldwide as at December 2022.

## CHAIRMAN'S MESSAGE

### **Dear Shareholders**,

I am delighted to present to you the annual report for Heeton Holdings Limited for the financial year ended 31 December 2022 (**"FY2022"**).

#### **BUSINESS OUTLOOK**

The Group's business broadly encompasses property investment, property development and hospitality. All sectors experienced significant setbacks during the worst phases of COVID-19, when the Company had to make difficult adjustments in order to adapt to the changing business landscape. It is inevitable that some of these changes will be permanent, a legacy of the time we lived through.

Economic recovery began in the second half of 2022, and the outlook remains promising. The lifting of movement restrictions and the resumption of business and leisure travel have greatly enhanced hospitality businesses around the world, in particular China's dismantling of their COVID-19 restrictions in December 2022 which has resulted in a strong upswing in travellers to and from the country. Heeton's hotel division continues to report rising room rates and occupancies, with some of our UK hotels surpassing pre-COVID-19 numbers. In Japan, tourism has recovered strongly; according to the Japanese National Tourism Organization, there were 3,831,900 foreign visitors to Japan in 2022, a fifteen-fold increase in 2021. The retail and residential component of Group's Sapporo asset also performed strongly compared to last year.

Entering 2023, we believe that the Group is well positioned to take advantage of considerable growth opportunities. Heeton's development of a 236- room hotel in the Sino-Singapore Health City Project in Gaobeidian, Hebei, is progressing on schedule. The development of the Group's 5-star hilltop hotel in Paro, Bhutan is currently underway and will be one of the largest hospitality offerings in the country. We will continue to seek accretive hospitality acquisitions as and when the right opportunities present themselves.

For the Singapore market, the Group has sought to maintain a strategic stance finely balanced between being conservative and pro-active. Heeton's principal focus in Singapore remains on real estate development, management and investment, and its two retail malls, Tampines Mart and Sun Plaza, continue to perform to expectations as customer footfall returns to normal. The Tenet EC, a residential project in Singapore, is a joint development between the Group, Qingjian Realty, and Santarli Realty which was launched in December 2022. It has enjoyed strong sales, with more than 93% of units sold out within the first month of launch.

Going forward, the Group intends to maintain focus on its core competencies of residential development and property management but is also open to venturing into industrial developments, build-to-rent concepts, and even mixed or alternative accommodation projects.

#### **NEW YEAR, NEW POSSIBILITIES**

Although the global travel and hospitality industry has started to recover, the Group like many businesses is having to navigate a path through an uncertain and volatile macroeconomic environment. To maintain

stability, the Group has revamped its personnel and employment policies across its many international businesses, bringing in new, young blood in executive positions to provide fresh perspective and exciting ideas to help drive Heeton's next chapter of growth and international expansion. The Group also moved from its base in the north of Singapore to its newly renovated corporate headquarters in Paya Lebar Square in March 2022, highlighting a fresh start in a post-COVID-19 business era.

As with many other companies the pandemic forced the Group to rethink its practices and come to terms with the need to evolve or risk being left behind. With support and encouragement from the Government to modernise and digitize, the Group has embraced new technology and operating systems in pursuit of greater efficiencies, ranging from the way it engages with customers through virtual showsuites and contactless hotel check-in to enhance guest experience, to the way data is collated, transmitted and stored.

Heeton will continue to explore new and innovative ways to harness up-and-coming technology to help grow the Group's business. The focus will be on uncovering new markets and unlocking greater opportunities while maintaining strict budget controls and capital expenditure oversight.

### IN APPRECIATION

First, I would like to thank all our staff at Heeton who have worked hard throughout 2022 to deliver a strong set of results for the Group.

I am also pleased to welcome Er Dr Lee Bee Wah and Mr Li Hiaw Ho as Non-Executive Independent Directors of the Board. Er Dr Lee Bee Wah holds the roles of the Chairman of Nominating Committee, member of the Audit Committee and member of the Remuneration Committee. Mr Li Hiaw Ho is a member of the Audit Committee and a member of the Remuneration Committee.

Lastly, I want to express my deep gratitude to all of our business partners for their unwavering trust and belief in Heeton, and our shareholders and other stakeholders for supporting the Group through an uncertain year.

## TOH GIAP ENG

Executive Chairman

## <mark>CEO's</mark> MESSAGE

### Dear Shareholders,

The global economy experienced a year of uncertainty in 2022, with a crippled economy, geopolitical tensions, rising interest rates, stubbornly high inflation, volatile exchange rates, and lingering COVID-19 restrictions all creating numerous headwinds.

Notwithstanding these challenges, the Group managed to execute strong performances across its business units, with all our core business segments of property investment and hospitality showing a rising trajectory in revenue. The Singapore residential market showed resilience as tight property supply drove prices higher, despite a rising interest rate environment.

### FY2022 FINANCIAL PERFORMANCE

The Group's turnover for FY2022 increased by 24.7% to \$62.9 million compared to \$50.4 million for the previous corresponding year ended 31 December 2021 (**"FY2021"**). This was owing mainly to the worldwide easing of COVID-19 restrictions which allowed our hotels to enjoy higher room occupancies and rates and a greater corresponding income by \$22.1 million, and an increase in rental revenue of \$0.8 million.

The hospitality and property investment segments contributed almost all of the Group's revenue in FY2022, an endorsement of the company's strategic focus on stable income streams.

The Group recorded a net profit before tax of \$6.7 million in FY2022 compared to a net profit before tax of \$29.1 million in FY2021. This was mostly due to a lower reversal of impairment from property, plant equipment of \$5.1 million in FY2022 compared to \$32.8 million in FY2021.

The Group's balance sheet remains strong with cash and cash equivalents of S\$59.8 million as at 31 December 2022, a 36.4% increase from the previous year. This will allow the Group to seize upon any attractive acquisitions or investment opportunities if and when the situation arises.

### FY2022 OPERATIONAL PERFORMANCE

Revenue contribution from property investment was \$10.5 million in FY2022, up 8.4% from \$9.7 million in the previous year, while the segment's profit before tax was \$2.9 million, down 31.2% from \$4.3 million in FY2021, owing to higher interest expenses and increased loss from fair value adjustment of investment properties.

Property development did not book any revenue for FY2022, compared to revenue of \$10.4 million for the year ago period. Profit before tax for FY2022 was \$3.9 million, a 45.5% drop compared to last year (FY2021: \$7.1 million). The drop in profit was mainly attributed to lower contribution from share of results of associated companies/joint venture companies in FY2022 compared to FY2021.

The hospitality segment contributed revenue of \$51.7 million, or 82.2% of total Group revenue in FY2022, as compared to \$29.6 million, or 58.6% of total revenue in FY2021. This impressive 74.9% jump in revenue was due to a rebound in the occupancies of hotels under the Group.

In terms of bottom-line, profit before tax was \$7.2 million, a drop from \$21.4 million in FY2021, largely attributable to a much lower contribution of reversal of impairment of property, plant and equipment of \$5.1 million in FY2022 (FY2021: \$32.8 million).

### TACKLING NEW AND EXISTING HEADWINDS

Even though the COVID-19 pandemic that devastated world economies since the start of 2020 started to subside in 2022, new hazards in the form of high inflation, rising interest rates, exchange rate volatility and geopolitical tension have since emerged, creating a challenging operating environment for our real estate portfolio.

The Singapore Government announced in the annual Budget 2023 on February 14 that the top marginal Buyer's Stamp Duty (**"BSD"**) rate for residential and non-residential properties will be raised. This may also dampen the rise of property prices and demand as well as increase future acquisition costs for the Group.

Despite the challenges and uncertainties, however Heeton remains cautiously optimistic about 2023, particularly the prospects of the hospitality business with the easing of cross-border travel restrictions in countries in which the Group operates. All in all the Board feels reasonably confident about economic prospects, and is pleased to declare a dividend of 0.375 cents per share for FY2022, unchanged from FY2021.

#### COMMITMENT TO CSR AND SUSTAINABILITY

Sustainability and social responsibility in business and industry increase in importance every year. Heeton reaffirms its commitment to corporate social responsibility (**"CSR"**) through its operational practices and sustainability programmes; in 2022 we extended the scope of our CSR activities and in 2023 we plan to do more. We also strive to maintain the highest Environmental, Social, and Governance (**"ESG"**) standards, and engage regularly with stakeholders to understand their concerns and expectations, with the overall objective of ensuring that our business is aligned with the social and commercial needs of the future.

#### **IN APPRECIATION**

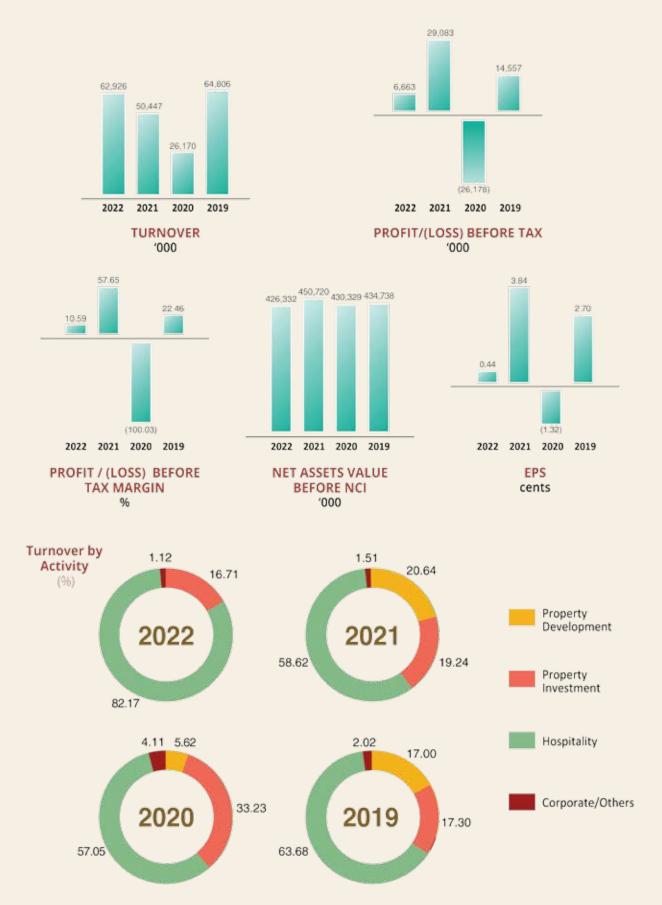

2022 was a turning point in the struggle to contain COVID-19 and we emerged from the crisis stronger and better-positioned to leverage on the Group's sound foundations and expertise to continue growing Heeton. We also welcome Jeryl Sing to Heeton as Group GM, whose experience in property development and management will undoubtedly enhance the company's potential.

I would like to express my gratitude to the Board of Directors for their strong support and guidance these last few years, which has allowed us to overcome many challenges, especially the recent COVID-19 pandemic.

I would also like to thank all our shareholders, customers, business partners and associates for their generous and staunch support, and to our staff for their dedication and tireless efforts to propel our company towards greater heights.

**HOH CHIN YIEP, IVAN** *Chief Executive Officer* 

## FINANCIAL HIGHGLIGHTS

# CORPORATE SOCIAL RESPONSIBILITY

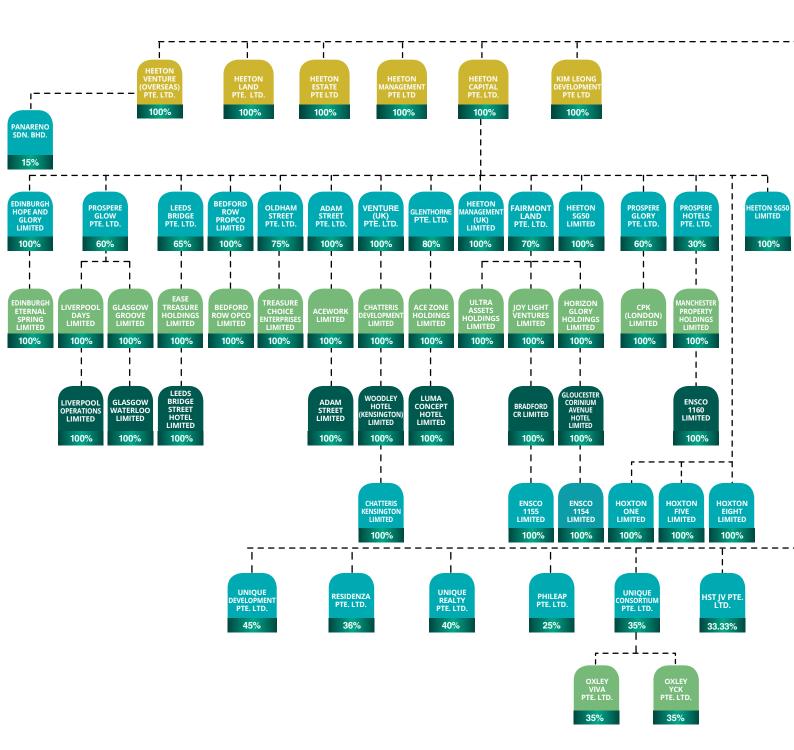

Despite a hectic year in 2022 which saw a return to new office premises in Paya Lebar, Heeton continued to expand its CSR activities as part of the Group's commitment to support global sustainability initiatives.

For the third year running, Heeton took part in social programmes organized by the Metta Association, a charitable organization providing welfare services to the community. In May 2022, Heeton personnel signed up for a hands-on cooking workshop where participants learnt the preparation methods and history behind the Hakka Abacus Seeds delicacy. In December 2022, a Heeton delegation attended a Clay Art Workshop at the Metta Day Activity Centre for the intellectually disabled in Woodlands. Programme participation allows Metta apprentices and residents the opportunity to demonstrate their vocational training as well as hone their social interaction skills.

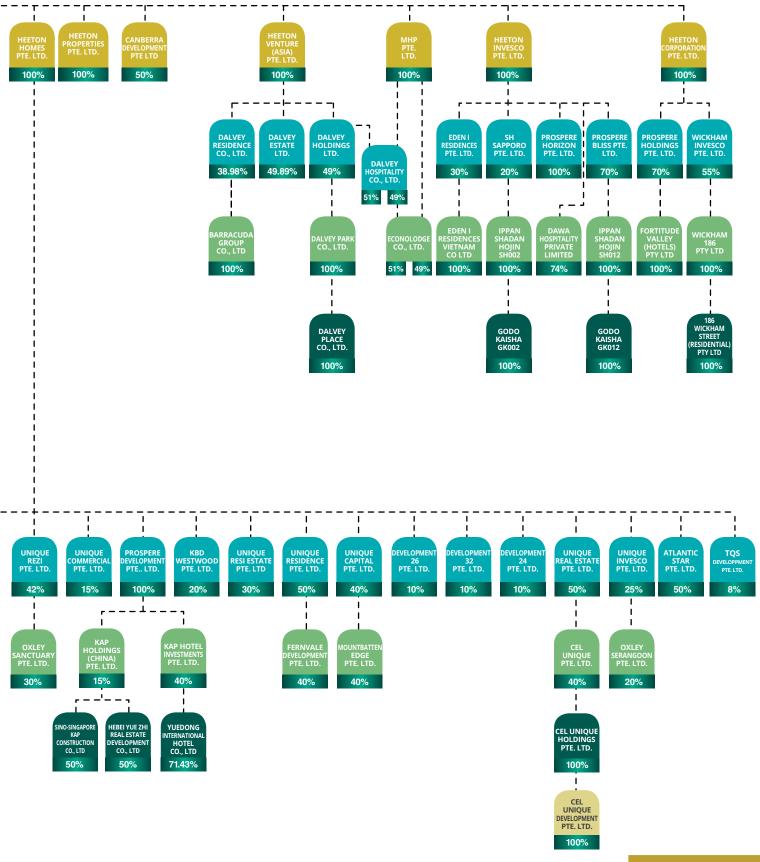

Heeton has also supported charities with their fund-raising efforts. Representing the Heeton Group, CEO Ivan Hoh took part in various charity golf tournaments throughout 2022, including the YMCA Lim Kim San Charity Golf Challenge, ExtraOrdinary People's Inaugural charity golf challenge and the SuperStar Charity golf fundraiser. In November 2022, Heeton supported the St Francis of Assisi Hospice by helping to sponsor their celebrity concert.

## GROUP STRUCTURE

## **GROUP STRUCTURE AS AT 31 DECEMBER 2022**

# BOARD OF DIRECTORS

### **1. TOH GIAP ENG VINCE** *Executive Chairman*

Formerly the Executive Deputy Chairman of the Group, Mr Toh was appointed Executive Chairman with effect from 1 January 2022. Mr Toh's responsibilities are to identify and secure investment and development properties in new markets, explore and develop related or new businesses as well as the overall stewardship and governance of the Group. Mr Toh started his career in the banking and finance industry and holds a Bachelor of Arts (Business), United Kingdom. Mr Toh is also a member of the Nominating Committee.

## 2. HOH CHIN YIEP IVAN

### Executive Director & Chief Executive Officer

Mr Hoh was appointed the Executive Director of the Group in June 2020. He is also the Chief Executive Officer where he oversees the Group's businesses and implements the directions, strategies and plans of the Board. Mr Hoh co-founded and was previously the Managing Director at PropNex International - the project marketing arm of PropNex. He is a veteran in both the local and overseas property scenes and possesses immense experience in the fields of real estate and project marketing over the span of 30 years. Prior to joining Heeton, Mr Hoh was Executive Director, Director and Head of Department of various agencies and real estate development consultancies including Knight Frank, HSR and OrangeTee.

# BOARD OF DIRECTORS

## 3. TOH GAP SENG

Alternate Director to Mr Toh Giap Eng

Heeton Holdings Limited (the "Company") is committed to maintaining a high standard of corporate governance in complying with the Code of Corporate Governance 2018 (the "2018 Code") issued by the Monetary Authority of Singapore. Good corporate governance establishes and maintains an ethical environment in the Group, which strives to enhance the interests of all the shareholders of the Company and to promote investors' confidence. This Report describes the Company's corporate governance processes and practices with specific reference to the 2018 Code.

### **BOARD MATTERS**

### The Board's Conduct of Affairs

# Principle 1: The company is headed by an effective Board which is collectively responsible and works with Management for the long-term success of the company.

The board of directors (the "Board") supervises the management of the business and affairs of the Company and its subsidiaries (the "Group") and holds the management accountable for the Group's performance. The Board approves the Group's corporate and strategic direction, the appointment of Directors and key managerial personnel, major funding and investment proposals, and reviews the financial performance of the Group. Where a director has a conflict or potential conflict of interest in relation to any matter, he shall declare his interest when the conflict-related matter is discussed, unless the Board is of the opinion that his presence and participation is necessary to enhance the efficacy of such discussion. Nonetheless, he shall abstain from voting in relation to the conflict-related matters.

All directors exercise due diligence and independent judgment, and are obliged to act in good faith and consider at all times the interests of the Company.

To facilitate effective management, the Board, without abdicating its responsibility, delegated certain functions to various Board committees ("Board Committees"), each of which has its own written terms of reference and whose actions are reported to and monitored by the Board.

The Company has adopted internal guidelines setting forth matters that require Board's approval. The types of material transactions that require Board's approval under such guidelines are listed below:

- 1. approval of results announcements;
- 2. approval of results and financial statements;
- 3. declaration of interim dividends and proposal of final dividends;
- 4. convening of shareholders' meetings;
- 5. authorisation of merger and acquisition transactions;
- 6. approval any other matters as prescribed under the relevant legislations and regulations, as well as the provisions of the Company's Constitution; and
- 7. authorisation of major transactions.

The Board conducts regular scheduled meetings and ad-hoc meetings are also convened from time to time to deliberate on urgent substantive matters. Telephonic attendance and conference via audio-visual communication at Board meetings are allowed under the Company's Constitution. The details of the Board and Board Committee meetings and the attendance of each Board member at these meetings are disclosed below at Table 1.

Table 1: Attendance of Directors, who held office at the end of the financial year, at Board and Board
Committee Meetings held in the financial year ended 31 December 2022

	Board	Meetings	Com	inating mittee etings	Com	neration mittee etings		ommittee etings

Tan Chuan Lye	2	2	1	1	2	2	2	2
Lee Bee Wah <sup>(1)</sup>	1	1	_	-	1	1	1	1
Li Hiaw Ho <sup>(2)</sup>	1	1	-	-	1	1	1	1

\* Refer to meetings held and attended while each Director was in office.

(1) Er Dr Lee Bee Wah was appointed as an Independent Director, Chairman of the Nominating Committee, a member of the Remuneration Committee and a member of the Audit Committee on 27 April 2022.

(2) Mr Li Hiaw Ho was appointed as an Independent Director, a member of the Remuneration Committee and a member of the Audit Committee on 9 June 2022.

There are briefing sessions held from time to time to update the Directors on changes to any legislation or regulations which are relevant to the Group's or Directors' obligations. Newly appointed Directors are briefed on the business and organisation structure of the Group. Training will be provided for newly appointed Directors, if required. A memorandum is also sent to them upon their appointment explaining, among other matters, their duties, obligations, and responsibilities as members of the Board. As part of their continuing education, the Directors may attend relevant seminars and trainings which will be funded by the Company.

Management provided the members of the Board with board papers as well as relevant background information or explanatory information and documents relating to items of business to be discussed at a Board meeting before each scheduled meeting. The Board is provided with management reports, and papers containing relevant background or explanatory information required to support the decision-making process on an on-going basis and in a timely manner. In respect of the annual budgets, the management shall provide any material variance between the budget or projections and actual results to the Board.

The Board has separate and independent access to the Company's senior management and the Company Secretary. The Company Secretary attends all Board meetings and the Board Committees meetings and records the proceedings and decisions of the Board and of the Board Committees.

The Company Secretary ensures that the corporate secretarial aspects of procedures concerning the Board are duly complied with. The Company Secretary also advises the Board on the requirements of the Singapore Companies Act and the Listing Manual of the Singapore Exchange Securities Trading Limited ("SGX-ST").

Under the Constitution, the decision to appoint or remove the Company Secretary can only be taken by the Board as a whole.

In carrying out their duties and where necessary, Directors individually or as a group may seek independent professional advice where appropriate at the Company's expense.

### **Board Composition and Guidance**

## Principle 2: The Board has an appropriate level of independence and diversity of thought and background in its composition to enable it to make decisions in the best interest of the company.

The Board currently comprises five members, with the details set out at Table 2. Two executive Directors, namely Mr Toh Giap Eng, Executive Chairman, and Mr Hoh Chin Yiep, Chief Executive Officer ("CEO") and three independent non-executive Directors, namely, Mr Tan Chuan Lye, Er Dr Lee Bee Wah and Mr Li Hiaw Ho. The independent non-executive Directors make up a majority of the Board.

The Board is of the view that its size, and that of the Board Committees, and level of independence is appropriate for effective decision making. As a group the Directors have an appropriate balance and mix (as well as breadth and depth) of skills, knowledge and experience, and diversity of thought, so as to foster constructive and robust debate and avoid "groupthink".

The Nominating Committee is of the view that no individual or small group of individuals dominate the Board's decisionmaking process and that the current Board consists of the appropriate mix of expertise and experience to meet the Group's targets. Directors comprise professionals with financial, accounting and industry backgrounds who are able to tap on their area of expertise in leading the Group. Key information regarding the Directors can be found under the Board of Directors section in this annual report.

In the interests of maintaining a collaborative corporate culture, Heeton endorses the benefits of diversity at staff, management and Board level.

The Company has adopted a formal board diversity policy in the current year. Diversity in the composition of the Board will allow the company to draw on different skill sets, experience, backgrounds and perspectives, which can be expected to deliver the following benefits:

- greater competitive advantage;
- wider understanding of opportunities, issues and risks;
- expanded range of concepts, ideas, and relationships;
- enhanced decision-making and dialogue; and
- heightened capacity for oversight of the organization and its governance.

For purposes of Board composition, diversity includes but is not limited to business skills; industry experience, gender, age and ethnicity.

The Board will make good use of these differences and distinctions among individuals in determining the optimum composition of the Board.

All Board appointments aim to collectively reflect the diverse nature of the business environment in which the organization operates. Appointments are to be made on merit, in the context of the skills, experience, independence and knowledge which the Board requires in order to be effective.

While all director appointments are based on merit, the Board recognises gender as an important aspect of diversity, and in order to achieve its diversity goals, the Board undertakes to:

- Set measurable objectives to achieve gender diversity
- Ensure the Board considers the balance of skills, experience, knowledge, perspectives, independence and characteristics in tandem with the strategic needs of HHL and the environment in which it operates when it comes to selection criteria
- Identify suitable candidates for appointment to the Board, considering candidates on an objective basis, and with due regard for the benefits of diversity on the team.

In 2022, Heeton appointed a female candidate, Er Dr Lee Bee Wah to join the Board.

The independence of each Director is reviewed by the Nominating Committee. Each independent Director is required to complete an independent Director's declaration form annually to confirm his independence. The Nominating Committee adopts the provisions of the Listing Rules and of the 2018 Code in its review of who can be considered as an independent Director.

The Directors of the Company monitor and review management's performance against goals and objectives. Their views and opinions provide alternate perspectives to the Group's business and they bring independent judgement to bear on business activities and transactions involving conflicts of interest and other complexities.

The non-executive Directors meet and/or hold discussions as and when required without the presence of management to facilitate a more effective check on management.

The Lead Independent Director leads discussions with the other independent Directors of the Company without the presence of the other Directors and the Lead Independent Director will provide feedback to the Chairman after such meetings.

Name of Director	Board committee as chairman or member	Directorship: Date of first appointment/ Date of last re-election	Board appointment whether executive or non-executive/ independent	Due for re-election at next AGM
Toh Giap Eng	Member of Nominating Committee	1 July 1996/ 30 April 2021	Executive	Retirement by rotation pursuant to Article 95(2)

Please provide details of relevant experience and the nominating committee's reasons for not requiring the director to undergo training as prescribed by the Exchange (if applicable).	Not applicable, this is a re-election of a director.	

### Role of Executive Chairman and Chief Executive Officer

## Principle 3: There is a clear division of responsibilities between the leadership of the Board and Management, and no one individual has unfettered powers of decision-making.

The functions of the Executive Chairman and CEO in the Company are assumed by different individuals. The executive Directors Mr Toh Giap Eng and Mr Hoh Chin Yiep also hold the office of f Executive Chairman and CEO respectively. There is a clear division of responsibilities between the Executive Chairman and CEO, which ensures a balance of power and authority as well as increased accountability at the top of the Company.

The CEO has the executive responsibility to manage all aspects of the Group's businesses and implement the direction, strategies and plans of the Board. The roles and responsibilities of the Executive Chairman are to identify and secure investment and development properties in new markets, explore and develop related businesses and the overall stewardship and governance of the Group. The responsibilities of the Executive Chairman working together with the CEO, the management and the Company Secretary, amongst others, include:

- scheduling meetings that enable the Board to perform its duties responsibly while not interfering with the flow of the Company's operations;
- facilitating the effective contribution of all Directors;
- promoting culture of openness and debate at the Board;
- preparing the agenda for meetings;
- ensuring effective communication with shareholders;
- reviewing key proposals before they are presented to the Board for decision;
- exercising control over quality, quantity and timeliness of the flow of information between the management and the Board; and
- assisting in ensuring compliance with the Company's corporate governance guidelines.

The Board has appointed Mr Tan Chuan Lye, an independent non-executive Director as the Lead Independent Director in view that the Chairman is non-independent and is part of the management team. Shareholders of the Company with concerns that could have a material impact on the Group, for which contact through the normal channels with the Executive Chairman, CEO, or Chief Financial Officer ("CFO") have failed to resolve or is inappropriate, are able to contact the Lead Independent Director.

33

#### **Board Membership**

# Principle 4: The Board has a formal and transparent process for the appointment and re-appointment of directors, taking into account the need for progressive renewal of the Board.

The Nominating Committee ("NC") comprises two independent non-executive Directors, namely Er Dr Lee Bee Wah (Chairman), Mr Tan Chuan Lye and an executive Director, Mr Toh Giap Eng. The NC has written terms of reference approved by the Board and is responsible for making recommendations to the Board on all appointments and re-appointments to the Board. The NC reviews and assesses candidates before making recommendations to the Board for appointment as Directors of the Company. In recommending new directors for appointment to the Board, the NC takes into consideration the skills and experience required to support the Group's business activities or strategies, the current composition of the Board and the size of the Board, and strives to ensure that the Board has an appropriate balance of independent directors as well as directors with the right profile of expertise, skill, attributes and ability.

The NC may have recourse to both internal sources as well as external sources to draw up a list of potential candidates. Shortlisted candidates will be required to furnish their curriculum vitae, stating in detail their qualifications, working experience and employment history, and to complete certain prescribed forms to enable the NC to assess the candidate's independence status and compliance with the Company's established internal guidelines.

The key terms of reference of the NC are as follows:

- a. The NC shall consist of not less than three Directors, a majority of whom shall be independent Directors;
- b. The Chairman of the NC shall be appointed by the Board and shall be an independent Director; and
- c. The Board shall appoint a new member so that the number of members does not fall below three if a member, for any reason, ceases to be a member.

The NC performs the following functions in accordance with its terms of reference:

- a. reviewing and making recommendations to the Board on all candidates nominated for appointment to the Board and key management personnel, having regard to their background, potential contribution to the Group based on their experience and expertise, and ability to exercise independent business judgment;
- reviewing regularly, the Board structure, size and composition, taking into account the balance between executive and non-executive, independent and non-independent Directors and having regard at all times to the principles of corporate governance and the 2018 Code and make recommendations to the Board any adjustment that are necessary;
- c. identifying and making recommendations to the Board as to the Directors who are to retire by rotation and to be put forward for re-election at each annual general meeting of the Company, having regard to the Directors' contribution and performance, including independent Directors;
- d. conducting annual reviews to determine the independence of each Directors (taking into account the circumstances set out in the 2018 Code and other salient factors);
- e. assessing annually the performance of the Board, the Board Committees and the Directors; and
- f. conducting reviews to evaluate whether or not a Director is able to and has been adequately carrying out his/her duties as Director of the Company, when he/she has multiple board representations.

The NC ensures that new Directors are aware of their duties and obligations. The NC also decides if a Director is able to and has been adequately carrying out his or her duties as a director of the Company.

The size and composition of the Board are reviewed on an annual basis by the NC, which seeks to ensure that the Board has an appropriate mix of expertise and experience.

The NC is of the view that:

- a. the majority of the NC members are independent and able to exercise objective judgement on corporate affairs of the Group independently from the management;
- b. there is no individual or small group of individuals on the Board who dominate the Board's decision-making process;
- c. the Board as a whole, possess core competencies required for the effective conduct of the affairs and operations of the Group; and
- d. the current size of the Board is adequate for the purposes of the Group.

The Directors submit themselves for re-nomination and re-election at regular intervals of at least once every three years. Pursuant to Article 95 of the Constitution, one-third of the Directors retire from office at the Company's AGM ("one-third rotation rule"). In addition, Article 77 and Article 96 of the Company's Constitution provide that a newly appointed Director must submit himself for re-election at the next AGM following his appointment. Thereafter, he is subject to the one-third rotation rule.

Currently none of the Directors hold excessive number of board representations. The Board will review and recommend the maximum number of board representations which Directors may hold at the appropriate time.

### **Board Performance**

# Principle 5: The Board undertakes a formal annual assessment of its effectiveness as a whole, and that of each of its board committees and individual directors.

The NC will use its best efforts to ensure that Directors appointed to the Board possess the relevant background, experience and knowledge to enable balanced and well-considered decisions to be made. One of the NC's responsibilities is to undertake a review of the Board's performance. The NC has implemented a formal review process to assess the effectiveness of the Board on an annual basis as well as the contribution by each individual director to the effectiveness of the Board. The performance criteria taken into account by the NC in relation to an individual director include the Director's industry knowledge and/or functional expertise, contribution and workload requirements, sense of independence and attendance at the Board and Board Committees meetings.

The assessment process requires the Directors to complete appraisal forms which will be collated by an independent coordinator who will compile the results of the appraisal for review by the NC. The NC will thereafter report to the Board.

### **REMUNERATION MATTERS**

### **Procedures for Developing Remuneration Policies**

# Principle 6: The Board has a formal and transparent procedure for developing policies on the director and executive remuneration, and for fixing the remuneration packages of individual directors and key management personnel. No director is involved in deciding his or her own remuneration.

The Remuneration Committee ("RC") comprises three independent non-executive Directors, namely, Mr Tan Chuan Lye (Chairman), Er Dr Lee Bee Wah and Mr Li Hiaw Ho.

The key terms of reference of the RC are as follows:

- a. The RC shall consist of not less than three Directors, a majority of whom shall be independent Directors. At least one member should be knowledgeable in executive compensation, and if there is a need, expert advice may be obtained internally or externally;
- b. The Chairman of the RC shall be appointed by the Board and shall be an independent Director; and
- c. The Board shall appoint a new member so that the number of members does not fall below three if a member, for any reason, ceases to be a member.

The duties and responsibilities of the RC as set out in the Terms of Reference approved by the Board include the following:

- a. review and advise the Board on the framework of remuneration policies for executive and non-executive Directors and key executives of the Group covering all aspects of remuneration such as Director's fees, salaries, allowances, bonuses, options and benefits-in-kind;
- b. review and recommend to the Board the terms of the service agreement of the Directors; and
- c. review and advise the Board on the implementation of any appropriate long term incentive schemes for the Directors and employees of the Company.

Each member of the RC shall abstain from voting on any resolution concerning his own remuneration.

The RC shall review the Company's obligations arising in the event of termination of the executive Directors and key management personnel's contracts of service, to ensure that such contracts of service contain fair and reasonable termination clauses.

The Company ensures that the RC has access to expert advice on the human resource matter whenever there is a need to consult externally. During the financial year under review, the Company did not appoint any external consultant. In setting remuneration packages, the Company takes into account pay and employment conditions within the same industry and in comparable companies, as well as the Group's relative performance and the performance of the individual employee. No Director or officer of the Company will be involved in deciding his own remuneration.

#### **Remuneration Level and Mix**

# Principle 7: The level and structure of remuneration of the Board and key management personnel are appropriate and proportionate to the sustained performance and value creation of the company, taking into account the strategic objectives of the company.

Pursuant to the respective service contracts of the Executive Chairman and CEO:

- a. the term of service is for a period of 3 years and is subject to review thereafter;
- b. remuneration includes, among others, a fixed salary, allowances and a variable performance bonus which are conditional upon each meeting certain performance targets; and
- c. there are no onerous compensation commitments on the part of the Company in the event of an early termination of the service of an executive director.

The remuneration packages of the executive Directors and the key management personnel comprises a fixed component and a variable component that is linked to the performance of the Group as a whole as well as the individual performance. This is designed to align remuneration with the interests of shareholders and link rewards to corporate and individual performance so as to promote the long-term sustainability of the Group.

The annual reviews of the compensation are carried out by the RC to ensure that the remuneration of the executive Directors and CEO commensurate with their performance and that of the Company. In structuring the compensation framework, the RC also takes into account the risk policies of the Group, the need for the compensation to be symmetric with the risk outcomes and the time horizon of risks.

Non-executive Directors do not have service contracts with the Company and their remuneration packages comprise a basic director retainer fee. The Board, in recommending to the shareholders the quantum of fees to be paid to the Directors, takes into account factors such as frequency of meetings, time spent by Directors and the responsibilities of Directors. Directors' fees are subject to the approval of the shareholders at each AGM.

Currently, the Company does not have an employee share option scheme or any long-term scheme. The RC will recommend the implementation of incentive schemes as and when it considers appropriate.

#### **Disclosure on Remuneration**

# Principle 8: The company is transparent on its remuneration policies, level and mix of remuneration, the procedure for setting remuneration, and the relationships between remuneration, performance and value creation.

The compensation packages for employees including the executive Directors and the key executives comprise a fixed component, a variable component and benefits-in kind, where applicable, taking into account amongst other factors, the individual's performance, the performance of the Group and industry practices. When determining the fixed and variable components, the individual performance is taken into consideration in the light of any annual guidance from the National Wages Council, competitive market practices and information gathered from market surveys.

For confidential reasons, the Board has not disclosed the remuneration of each individual Director and the Group's key executives in full. The Board has taken the view that full disclosure of the Directors' remuneration may have a negative impact on the Company, taking into consideration the competitive business environment in which the Company operates and the sensitivity and confidential nature of such disclosures. However, going forward, under Provision 8.1 of Code of Corporate Governance 2018, it will become mandatory to disclose fully the remuneration package paid to each individual director and CEO on a named basis and the Company will comply for reports on financial year ending on or after 31 December 2024.

Remuneration bands	Salary	Bonus	Fees	Other Benefits	Total
	%	%	%	%	%
Below S\$250,000					
Tan Tiong Cheng <sup>(1)</sup>	_	-	100	-	100
Chia Kwok Ping <sup>(1)</sup>	-	-	100	-	100
Tan Chuan Lye	_	_	100	-	100
Lee Bee Wah	-	-	100	-	100
Li Hiaw Ho	-	-	100	-	100
Between \$\$500,000 to \$\$750,000					
Hoh Chin Yiep	73	17	-	10	100
Between S\$750,000 to S\$1,000,000	<u>.</u>		·		
Toh Giap Eng	91	7	-	2	100

A breakdown, showing the level and mix of each individual Director's remuneration payable for the financial year ended 31 December 2022 is as follows:

<sup>(1)</sup> Mr Tan Tiong Cheng and Mr Chia Kwok Ping have retired and resigned as an Independent Director with effect from 27 April 2022.

The remuneration of the key executives of the Group who are not Directors for the financial year ended 31 December 2022 is shown in the following bands:

Remuneration bands	Salary	Bonus	Other Benefits	Total
	%	%	%	%
Below S\$250,000				
Eemin Loh Yi Xuan	79	20	1	100
Adrian Koh Seng Hui	82	17	1	100
Between \$\$250,000 to \$\$500,000				
Heng Lee Cheng	65	32	3	100
Edwin Liu Chun Bong	75	25	0	100

The Group has 4 key executives who are not Directors during the financial year ended 31 December 2022. Key information regarding the current key executives can be found under the Key Management section in this annual report. The total remuneration paid to the above key executives (who are not Directors) of the Group for the financial year ended 31 December 2022 is S\$1,277,000.

### **Immediate Family Member of Director**

The remuneration of Mr Toh Giap Eng, Executive Chairman who is the son of Mr Toh Khai Cheng and brother of Mr Toh Gap Seng (both substantial shareholders), has been disclosed above. Other than Mr Toh Giap Eng, currently, there are no employees in the Group who are immediate family members of any other Director, CEO and substantial shareholder of the Company, whose remuneration exceeded \$\$100,000 during the financial year ended 31 December 2022.

# ACCOUNTABILITY AND AUDIT

### **Risk Management and Internal Controls**

# Principle 9: The Board is responsible for the governance of risk and ensures that Management maintains a sound system of risk management and internal controls, to safeguard the interests of the company and its shareholders.

The Listing Rules 720(7) requires all Directors to undergo training on sustainability matters. During the year under review, Directors completed the prescribed sustainability training. The Board and AC have reviewed the adequacy and effectiveness of the Group's internal controls systems and risks management systems that address the Group's financial, operational and compliance and information technology controls risks. In compliance with new Listing Rules that take effect from 1 January 2022, the sustainability reporting process was subjected to internal review by the internal auditors, in accordance with the approved internal audit plan. Based on the internal controls established and maintained by the Group, work performed by the outsourced internal auditors and external auditors, and reviews performed by management, the AC and the Board are of the opinion that the Group's internal controls, addressing financial, operational and compliance, information technology controls risks and risk management systems, were adequate and effective as at 31 December 2022. The Board notes that no system of internal control could provide absolute assurance against the occurrence of material errors, poor judgement in decision-making, human error, losses, fraud or other irregularities.

The Board has established a separate risk management committee (the "Risk Management Committee") comprising of the Chairman, CEO and CFO to assist it in carrying out its responsibility of overseeing the Company's risk management framework and policies. The Risk Management Committee regularly reviews the Group's business and operations to identify areas of significant business risks, and has put in place appropriate measures to address these risks and reports to the Board on areas of significant risks to the Group's operations, if any.

The Board has received assurance from the CEO and the CFO (i) that the financial records have been properly maintained and the financial statements give a true and fair view of the Company's operations and finances and (ii) regarding the adequacy and effectiveness of the Company's risk management and internal control systems.

For more information relating to the Group's risks factors, please refer to Note 41 of the audited financial statements in this annual report.

### Audit Committee

### Principle 10: The Board has an Audit Committee ("AC") which discharges its duties objectively.

The Audit Committee ("AC") comprises three independent non-executive Directors, namely, Mr Tan Chuan Lye (Chairman), Er Dr Lee Bee Wah and Mr Li Hiaw Ho.

The Chairman of the AC, Mr Tan Chuan Lye has many years of experience in the accounting and auditing profession. The other members of the AC have many years of experience in business and financial management. The Board is of the view that the members of the AC have sufficient financial management expertise and experience to discharge the functions of the AC.

For the financial year ended 2022, the AC has held 2 meetings. Details of members and their attendance at meetings are provided in Table 1.

The key terms of reference of the AC include the following:

- a. The AC shall consist of not less than three Directors appointed by the Board, all of whom shall be non-executive Directors with the majority being independent Directors. At least two members of the AC shall have accounting or related financial management expertise or experience and its membership, details of its activities, number of meetings and attendance at such meetings, shall be disclosed annually;
- b. The Chairman of the AC shall be appointed by the Board and shall be an independent Director; and
- c. The Board shall appoint a new member so that the number of members does not fall below three if a member, for any reason, ceases to be a member.

The duties of the AC include:

- a. reviewing the significant financial reporting issues and judgements so as to ensure the integrity of the financial statements of the company and any announcements relating to the Company's financial performance;
- b. reviewing at least annually the adequacy and effectiveness of the Company's internal controls and risk management systems;
- c. reviewing the assurance from the CEO and the CFO on the financial records and financial statements;
- d. making recommendations to the Board on: (i) the proposals to the shareholders on the appointment and removal of external auditors; and (ii) the remuneration and terms of engagement of the external auditors;
- e. reviewing the adequacy, effectiveness, independence, scope and results of the external audit and the Company's internal audit function; and
- f. reviewing the policy and arrangements for concerns about possible improprieties in financial reporting or other matters to be safely raised independently investigated and appropriately followed up on. The Company publicly discloses, and clearly communicates to employees, the existence of a whistle-blowing policy and procedures for raising such concerns.

Whistleblowing Policy

- a. The Company has a whistle-blowing policy ("Policy") whereby concerns about possible corporate improprieties may be reported. As a public listed company, Heeton adopts a zero tolerance approach towards workplace malpractices, statutory non-compliance, chronic impropriety and abuse within the organisation. In this regard the Policy is intended to encourage and facilitate the raising of any major concerns or legitimate complaints against the Company or its subsidiaries by employees, directors, contractors, suppliers, vendors, customers and other stakeholders ("interested parties"), without fear of reprisal, discrimination or adverse consequences, permitting the Company to address such reports by taking appropriate action.
- b. The intended aims of this Policy are: to deter wrongdoing and abuse within the Group; to establish high standards of working practices and corporate governance; to encourage interested parties, especially employees, to act on relevant concerns without fear of reprisals; to create a standard operating procedure for interested parties to raise these concerns; to demonstrate the Company's commitment towards the welfare of its employees; and to develop a culture of openness, accountability and integrity.
- c. An external third party approved by the Board will be the Receiving Officer responsible for the processing of whistleblowing complaints. The Receiving Officer will report to Audit Committee and maintain a centralized repository of all reported cases. He or she will ensure that every concern is investigated and taken to its conclusion. Investigations into any complaints made by whistleblowers will be conducted sensitively and speedily by an internal panel coordinated by the Receiving Officer. The investigation may involve the Company's auditors, in case of a financial irregularity, company lawyers in the case of allegations of crime or serious breach, and external consultants where technical knowledge is required. The Company's policy is to report any criminal act to local law enforcement.
- d. The contact details of the Receiving Officer are as follows:

Email: TAT@AQT.SG Address: Aequitas Law LLP 28 Maxwell Road #04-05 Maxwell Chambers Suites Singapore 069120

- e. The identity of the whistleblower and all concerns or irregularities raised will be held in confidence throughout the investigation process. The whistleblower shall receive no retribution for reporting a concern in good faith. Retaliation, discrimination or any other form or reprisal against the whistleblower will be subject to discipline, including termination of employment.
- f. This Policy is featured on the Heeton website as well as the Company's Employee Resource Folder, and shall be included in the training materials or induction packs for all new employees. The Policy shall be reviewed regularly and may be modified to maintain compliance with applicable laws and regulations or accommodate organizational changes within the Group. The Audit Committee is responsible for the overall oversight and monitoring of the Policy and its implementation.

The AC also has full access to and the co-operation of management and reasonable resources to enable it to discharge its functions properly within the AC's scope of responsibility.

The AC, having reviewed all non-audit services provided by the external auditors to the Group is satisfied that the nature and extent of such services would not affect the independence of the external auditors. The AC has also conducted a review of interested person transactions. The AC also meets the external and internal auditors separately at least once a year, without the presence of management, in order to have free and unfettered access to unfiltered information and feedback.

To keep abreast of the changes in accounting standards and issues which have a direct impact on financial statements, advice is sought from the external auditors when they attend the AC meetings.

The Board confirms that, in relation to the appointment of auditors for the Company, subsidiaries and significant associated companies, the Group is in compliance with the requirements of Rules 712, 715 and 716 of SGX-ST's Listing Manual.

The AC does not comprise former partners or directors of the company's existing auditing firm or auditing corporation: (a) within a period of two years commencing on the date of their ceasing to be a partner of the auditing firm or director of the auditing corporation; and in any case, (b) for as long as they have any financial interest in the auditing firm or auditing corporation.

The Company has outsourced the internal audit function to an independent external audit firm. The AC's responsibility in overseeing that the Company's risk management system and internal controls are adequate is complemented by the work of the outsourced Internal Auditor ("IA"), KPMG Services Pte Ltd. IA reports directly to the AC and has unfettered access to all the Company's documents, records, properties and personnel, including access to the AC. IA plans its internal audit schedules in consultation with, but independent of, management and its plan is submitted to the AC for approval. The AC reviews the internal audit procedures and ensures that the internal audit functions, together with the various systems put in place by the Group are adequate.

The AC is satisfied that the IA is able to discharge its duties independently, effectively and adequately based on the following considerations:

- the IA activities are conducted in accordance with the Standards for the Professional Practice of Internal Auditing set by the Institute of Internal Auditors; and
- the IA has the appropriate standing in the Company in view of, inter alia, its involvement in certain AC meetings and its unfettered access to all the Group's documents, records, properties and personnel, including direct access to the AC and management.

# SHAREHOLDER RIGHTS AND ENGAGEMENT

### **Shareholder Rights and Conduct of General Meetings**

Principle 11: The company treats all shareholders fairly and equitably in order to enable them to exercise shareholders' rights and have the opportunity to communicate their views on matters affecting the company. The company gives shareholders a balanced and understandable assessment of its performance, position and prospects.

The Company provides shareholders with half yearly and annual financial statements within the timeframe in line with Listing Manual of SGX-ST. In presenting the financial statements to shareholders, the Board aims to provide shareholders with a balanced, clear and understandable assessment of the Company and the Group's performance, position and prospects. The Company may also, on an ad-hoc basis, hold media and analysts briefings and publish press releases of its financial results.

Procedures are put in place to provide Board members with management accounts as and when required and highlights on key business indicators and any significant business developments with such explanation and information as any Director may require, to enable the Directors to keep abreast, and make a balanced and informed assessment of the Group's financial performance, position and prospects.

At general meetings of the Company, shareholders are given the opportunity to communicate their views and are encouraged to ask the directors and the management questions regarding matters affecting the Company. The Board welcomes the views of shareholders on matters affecting the Company, whether at shareholders' meetings or on an adhoc basis. Shareholders will be informed of shareholders' meetings through notices published in the newspapers and reports or circulars sent to all shareholders. Each item of special business included in the notice of the meeting will be accompanied, where appropriate, by an explanation for the proposed resolution. Separate resolutions will be proposed for substantially separate issues at the meeting.

41

The respective Chairmen of the AC, RC and NC are present at the Company's AGMs to answer questions relating to the work of these committees. The external auditors are also present to assist the Directors in addressing any relevant queries by shareholders about the conduct of audit and the preparation and content of the auditors' report on the financial statements of the Company. All the Directors of the Company were present at the last AGM.

In view of the COVID-19 situation, the AGMs in respect of the financial periods ended 31 December 2020 and 31 December 2021, were convened and held on 30 April 2021 and 27 April 2022 respectively ("2021 and 2022 General Meeting") by electronic means pursuant to the COVID-19 (Temporary Measures) (Alternative Arrangements for Meeting for Companies, Variable Capital Companies, Business Trusts, Unit Trusts and Debenture Holders) Order 2020. All Directors who were in office had attended the 2021 and 2022 General Meeting.

The shareholders of the Company (other than a shareholder who is a relevant intermediary) may appoint one or two proxies to attend and vote in their absence at general meetings of the Company. A shareholder who is a relevant intermediary is entitled to appoint more than two proxies to attend and vote at the general meetings of the Company. The Company is not implementing absentia-voting methods such as by mail, e-mail or fax until security, integrity and other pertinent issues are satisfactorily resolved. The shareholders would be informed of the voting procedures at the commencement of the general meeting.

The Company conducts the voting of all its resolutions by poll at all its general meetings. The results of poll of each resolution tabled are announced at the meetings and in an announcement released after the meeting via SGXNet. Shareholders can vote in person or by their appointed proxies. The Company will employ electronic polling if necessary.

The Company Secretary prepares minutes of annual general meetings that include substantial and relevant comments or queries from shareholders relating to the agenda of the meetings, and responses from the Board and management. The Company shall publish the minutes of general meetings of shareholders on its corporate website and on the SGX website as soon as practicable, in any event within one month after the date of the general meeting.

The Company does not have a fixed dividend policy. The form, frequency and amount of dividends will depend on the Group's earnings, general financial condition, results of operations, capital requirement, cashflow, general business condition, development plans and other factors as Directors may deem appropriate.

Notwithstanding the above, the Company has been declaring dividends on an annual basis, except for FY2020 due to the impact of the COVID-19 on the Group's business. Any pay-outs are clearly communicated to shareholders via the financial results announcement through SGXNet.

# **ENGAGEMENT WITH SHAREHOLDERS**

# Principle 12: The company communicates regularly with its shareholders and facilitates the participation of shareholders during general meetings and other dialogues to allow shareholders to communicate their views on various matters affecting the company.

The Board is mindful of the obligation to provide regular, effective and fair communication with shareholders. Information is communicated to the shareholders on a timely basis through:

- annual reports that are prepared and issued to all shareholders within the mandatory period;
- public announcements via SGXNet, the press and analysts (if any); and
- notices of annual general meetings.

The Board will support and encourage active shareholders' participation at AGMs as it believes that general meetings serve as an opportune forum for shareholders to meet the Board and key management, and to interact with them. General meetings have been and are still the principal forum for dialogue with the shareholders. They offer opportunities for the Board to interact with shareholders, understand their views, gather feedback as well as address concerns. Enquiries by shareholders are dealt with as promptly as practicably possible.

The Company does not practice selective disclosure. The Board provides shareholders with an assessment of the Company's performance, position and prospects via announcements of results and other ad-hoc announcements as required by the SGX-ST. The Company's Annual Report which is sent to all shareholders is also available on request. In addition to the regular dissemination of information through SGXNet, the Company also responds to enquiries from investors, analysts, fund managers and the press.

The Company has an existing investor relation team or may engage an external firm to assist in disseminating news to the media and analysts after each results announcement and any price-sensitive information announced.

The Company maintains a website (<u>www.heeton.com</u>) to bring public awareness of the Group's latest development and businesses. An investor relations contact has been provided in the Company's website. Stakeholders can provide feedback to the Company via the electronic mail address, the registered office address or calls. Calls and emails requesting for information are attended to promptly.

# MANAGING STAKEHOLDERS RELATIONSHIPS

### **Engagement with Stakeholders**

# Principle 13: The Board adopts an inclusive approach by considering and balancing the needs and interests of material stakeholders, as part of its overall responsibility to ensure that the best interests of the company are served.

The Company strives to maintain open and fair communication with its key stakeholders, to understand their views, concerns, and objectives in order to work towards more sustainable growth. With the support of an external consultant, the Company has identified stakeholder groups which have a significant influence and interest in the Group's operations and business, and engaged these stakeholders to understand their Environmental, Social, and Governance (ESG) expectations. The key stakeholders include investors, tenants, employees, communities, government and regulators and business partners.

The Company maintains a corporate website at www.heeton.com and updates it on a timely basis to communicate and engage with stakeholders.

In this way, the Company hopes to have good communication and engagement with all its material stakeholders.

# INTERESTED PERSON TRANSACTIONS

There were no interested person transactions entered into by the Company that required disclosure under the SGX-ST's Listing Manual exceeding \$\$100,000 during the financial year ended 31 December 2022.

### **DEALINGS IN SECURITIES**

The Company has adopted and implemented Rule 1207(19) of the Listing Manual issued by SGX-ST on dealings in securities. This has been made known to Directors, officers, and staff of the Company and the Group. In particular, it has been highlighted that to deal in the Company's securities as well as securities of other listed companies when the officers (Directors and employees) are in possession of unpublished material price sensitive information in relation to those securities is an offence. The officers are also discouraged from dealing in the Company's securities on short-term considerations.

Directors and key senior executives of the Group are prohibited from trading in the Company's shares during the period commencing one month before the announcement of the Company's half-year and full-year financial statements. The Company has complied with Rule 1207(19) in the financial year ended 31 December 2022.

43

# DIRECTORS' STATEMENT

The directors present their statement to the members together with the audited consolidated financial statements of Heeton Holdings Limited (the "Company") and its subsidiaries (the "Group") and the balance sheet of the Company for the financial year ended 31 December 2022.

# **Opinion of the directors**

In the opinion of the directors,

- (i) the consolidated financial statements of the Group and the balance sheet of the Company are drawn up so as to give a true and fair view of the financial position of the Group and of the Company as at 31 December 2022 and the financial performance, changes in equity and cash flows of the Group for the year ended on that date; and
- (ii) at the date of this statement there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due.

# Directors

The directors of the Company in office at the date of this statement are:

Toh Giap Eng	-	Executive Chairman
Hoh Chin Yiep	-	Executive Director
Tan Chuan Lye	-	Independent Director
Lee Bee Wah	-	Independent Director
Li Hiaw Ho	-	Independent Director
Toh Gap Seng	-	Alternate to Toh Giap Eng

# Arrangements to enable directors to acquire shares and debentures

Neither at the end of nor at any time during the financial year was the Company a party to any arrangement whose objects are, or one of whose objects is, to enable the directors of the Company to acquire benefits by means of the acquisition of shares or debentures of the Company or any other body corporate.

# Directors' interests in shares or debentures

The following directors, who held office at the end of the financial year, had, according to the register of directors' shareholdings required to be kept under Section 164 of the Singapore Companies Act 1967 (the "Act"), an interest in shares or debentures of the Company and related corporations (other than wholly-owned subsidiaries) as stated below:

	Direct	interest	Deemeo	l interest
Name of director	1 January 2022	31 December 2022	1 January 2022	31 December 2022
The Company Heeton Holdings Limited Number of Ordinary shares Toh Giap Eng Toh Gap Seng	63,519,373 26,652,555	63,519,373 26,652,555	135,981,838 1,883,200	135,981,838 1,883,200

Toh Giap Eng Toh Gap Seng Hoh Chin Yiep	\$8,200,000 \$1,400,000 \$600,000	\$7,380,000 \$1,260,000 \$540,000	- -	- -

ΔΔ

# DIRECTORS' STATEMENT

# Directors' interests in shares or debentures (cont'd)

There was no change in any of the above-mentioned interests between the end of the financial year and 21 January 2023.

By virtue of Section 7 of the Companies Act 1967, Messrs Toh Giap Eng is deemed to have interests in the shares held by Heeton Holdings Limited in all its subsidiaries.

Except as disclosed in this report, no director who held office at the end of the financial year had interests in shares or debentures of the Company or related corporations, either at the beginning or at the end of the financial year.

# Share options

There were no options granted during the financial year to subscribe for unissued shares of the Company or its subsidiaries.

There were no shares issued during the financial year by virtue of the exercise of options to take up unissued shares of the Company or its subsidiaries.

There were no unissued shares of the Company or its subsidiaries under option as at the end of the financial year.

# Audit committee

The Audit Committee (AC) carried out its functions in accordance with Section 201B(5) of the Singapore Companies Act 1967, including the following:

- Reviewed the audit plans of the internal and external auditors of the Group and the Company and reviewed the internal auditor's evaluation of the adequacy of the Company's system of internal accounting controls and the assistance given by the Group and the Company's management to the external and internal auditors;
- Reviewed the half-yearly and annual financial statements and the independent auditor's report on the annual financial statements of the Group and the Company before their submission to the board of directors;
- Reviewed effectiveness of the Group's and the Company's material internal controls, including financial, operational and compliance controls and risk management via reviews carried out by the internal auditor;
- Met with the external auditor, other committees, and management in separate executive sessions to discuss any matters that these groups believe should be discussed privately with the AC;
- Reviewed legal and regulatory matters that may have a material impact on the financial statements, related compliance policies and programmes and any reports received from regulators;
- Reviewed the cost effectiveness and the independence and objectivity of the external auditor;
- Reviewed the nature and extent of non-audit services provided by the external auditor;
- Recommended to the board of directors the external auditor to be nominated, approved the compensation of the external auditor, and reviewed the scope and results of the audit;
- Reported actions and minutes of the AC to the board of directors with such recommendations as the AC considered appropriate; and
- Reviewed interested person transactions in accordance with the requirements of the Singapore Exchange Securities Trading Limited (SGX-ST)'s Listing Manual.

# DIRECTORS' STATEMENT

# Audit committee (cont'd)

The AC, having reviewed all non-audit services provided by the external auditor to the Group, is satisfied that the nature and extent of such services would not affect the independence of the external auditor. The AC has also conducted a review of interested person transactions.

The AC convened two meetings during the year with full attendance from all members. The AC has also met with internal and external auditors, without the presence of the Company's management, at least once a year.

Further details regarding the AC are disclosed in the Report on Corporate Governance in the Annual Report.

# Auditor

Ernst & Young LLP have expressed their willingness to accept reappointment as auditor.

On behalf of the board of directors,

Toh Giap Eng Executive Chairman Singapore

20 March 2023

Hoh Chin Yiep Executive Director

For The Financial Year Ended 31 December 2022

# **Report on the Audit of the Financial Statements**

### Opinion

We have audited the financial statements of Heeton Holdings Limited (the "Company") and its subsidiaries (collectively, the "Group"), which comprise the balance sheets of the Group and the Company as at 31 December 2022, the consolidated statement of changes in equity, consolidated statement of comprehensive income and consolidated statement of cash flows of the Group for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements of the Group, and the balance sheet of the Company are properly drawn up in accordance with the provisions of the Companies Act 1967 (the Act) and Singapore Financial Reporting Standards (International) (SFRS(I)) so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at 31 December 2022 and of the consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group for the year ended on that date.

### **Basis for Opinion**

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority (ACRA) Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the *Auditor's responsibilities for the audit of the financial statements* section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

### Valuation of investment properties

As at 31 December 2022, the carrying amount of the Group's investment properties was \$217,324,000 which accounted for 23% of total assets. The Group carries its investment properties at fair value, with changes in fair values recognised in profit or loss. The Group also invests in investment properties through its joint venture company and associated companies.

The Group engaged independent valuation specialists to determine the fair values of its investment properties as at 31 December 2022. The valuation of the investment properties is a significant judgemental area and is underpinned by a number of assumptions including, but not limited to, yield adjustments made for any difference in nature, location or condition of the specific property. In addition, there was an increase in the level of estimation uncertainty and significant management judgement is required in determining the valuation of investment properties arising from rapid changes in market and economic conditions. Accordingly, we have identified this as a key audit matter.

For The Financial Year Ended 31 December 2022

# Report on the Audit of the Financial Statements (cont'd)

### Valuation of investment properties (cont'd)

As part of our audit procedures, we evaluated the independence, competence and objectivity of the external valuation specialists. With the assistance of our internal property valuation specialist, we held discussions with selected external valuation specialists to understand the valuation methodologies used in the valuation and the results of their work, including key valuation adjustments made in light of the increased estimation uncertainty. We assessed the reasonableness of the key inputs and assumptions underlying the valuation, such as adjusted recent sale prices, or estimated annual net rental income after deduction of expenses, capitalised at an appropriate rate of return. We also assessed the adequacy of the disclosures in the financial statements in Note 3 *Significant accounting estimates and judgements*, Note 12 *Investment properties* and Note 40 *Fair value of assets and liabilities of the financial statements*.

### Impairment assessment on carrying value of hotel properties

As at 31 December 2022, the carrying value of property, plant and equipment (collectively, "properties") mainly relating to the Group's portfolio of hotel properties, amounted to \$372,975,000 and accounted for 39% of the Group's total assets. These properties are carried at cost less accumulated depreciation and impairment losses and are subject to an annual review to assess if there are indicators of impairment. The changes in market and economic conditions has resulted in significant amount of uncertainty in the current and future environment in which the Group operates. Accordingly, the Group undertook an impairment assessment to determine the recoverable amounts of its hotel properties.

The process of identifying indicators of impairment and assessing the recoverable amount of each hotel property involves significant management judgement and estimation. Valuations by external valuation specialists were obtained for hotel properties with impairment indicators to determine the recoverable value. These assessments are highly dependent on a range of key assumptions and estimates that require significant judgement, including but not limited to expected occupancy rates, discount rates, revenue growth rates and the competitive landscape in their local markets. Accordingly, we have identified this as a key audit matter.

Our audit procedures included, amongst others, obtained an understanding and an evaluation of the Group's policies and procedures to identify triggering events for potential impairment and any material changes in the carrying value of the hotel properties. We evaluated the independence, competence and objectivity of the external valuation specialists. With the assistance of our internal property valuation specialist, we held discussions with the management and external specialists to understand the valuation methodologies and key assumptions and estimates used in the valuation and the results of their work, including key valuation adjustments made in response to the changes in market and economic conditions. We assessed the reasonableness of the key assumptions and estimates used by the independent valuation specialist and management by comparing to historical average room and occupancy rates, property-related industry data and prices from recent sale transactions of comparable properties, where available. We also assessed the adequacy of the related disclosures in the financial statements in Note 3 *Significant accounting judgements and estimates* and Note 11 *Property, plant and equipment* of the financial statements.

# Impairment assessment of the Group's and Company's interest in subsidiaries, associated companies and joint venture companies

The Group has significant interests in subsidiaries, associated companies and joint venture companies, which comprise the investments in and amounts due from subsidiaries, associated companies and joint venture companies. The subsidiaries, associated companies and joint venture companies of the Group are mainly involved in the business of property development and hotel operations.

The recoverability of the interests in these subsidiaries, associated companies and joint venture companies are dependent on the hotel properties' future operating performance and/or the success of the relevant development projects. The hotel properties' future operating performance is dependent on, amongst others, the expected occupancy rates, revenue growth rates and the competitive landscape in their local markets. The success of the development projects are dependent on, amongst others, the economic condition, government policies, and demand and supply of properties in their respective markets. Consequently, there is a risk of downward valuation of the hotel properties and development projects due to implications brought on by the market and economic conditions. Annually, management conducts an assessment to determine whether any indicator of impairment exists.

For The Financial Year Ended 31 December 2022

# Report on the Audit of the Financial Statements (cont'd)

# Impairment assessment of the Group's and Company's interest in subsidiaries, associated companies and joint venture companies (cont'd)

We identified this as a key audit matter because the interests in subsidiaries, associated companies and joint venture companies are material to the Group's and the Company's financial statements, and the valuation and impairment assessment involve significant management judgement and heighten level of estimation uncertainty arising from the volatility in market and current economic conditions.

As part of our audit procedures, we obtained an understanding of the Group's process for identifying impairment triggers and considered management's assessment of impairment of interests in subsidiaries, associated companies and joint venture companies. We evaluated management's assumptions and inputs used in the review of historical credit loss experiences and consideration of the information management used to make forward-looking adjustment in determining the expected credit losses. We discussed with management, and where applicable, component auditors of significant subsidiaries, associated companies and joint venture companies, about the future market and economic conditions had on the development projects and hotel properties, and their future business plans. We assessed the reasonableness of revenue recognised during the financial year and sales performance of the completed development projects. In addition, we assessed the reasonableness of the estimated selling prices of the completed development properties by comparing to recently transacted prices and prices of comparable projects located in the vicinity as the development projects. For development properties under construction held by associated companies, we assessed the reasonableness of the total estimated contract costs by enquiring with management to understand the basis of key assumptions used in estimating project completion timelines and total estimated contract costs. For those subsidiaries, associated companies and joint venture companies with hotel properties, together with our internal property valuation specialist, we obtained and read the valuation reports prepared by the external valuers. We also inquired the external valuers and management and obtained explanations to support the selection of valuation methods, the valuation adjustments made in light of the heighten estimation uncertainty as well as the reasonableness of key assumptions including the expected occupancy rates, revenue growth rates and capitalisation rates used to establish the valuations.

We also assessed the adequacy of the disclosures in the financial statements in Note 3 *Significant accounting estimates and judgements*, Note 13 *Subsidiaries*, Note 14 *Associated companies*, Note 15 *Joint Ventures Companies*, Note 23 *Amounts due from subsidiaries*, and Note 17 *Amounts due from associated companies and joint venture companies* of the financial statements.

### **Other Information**

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

# Report on the Audit of the Financial Statements (cont'd)

### Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and SFRS(I), and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

For The Financial Year Ended 31 December 2022

# Report on the Audit of the Financial Statements (cont'd)

### Auditor's Responsibilities for the Audit of the Financial Statements (cont'd)

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on other legal and regulatory requirements

In our opinion, the accounting and other records required by the Act to be kept by the Company and by those subsidiary corporations incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

The engagement partner on the audit resulting in this independent auditor's report is Mr. Sam Lo Geok Lim.

Ernst & Young LLP Public Accountants and Chartered Accountants Singapore

# 1. Corporate information

Heeton Holdings Limited (the "Company") is a limited liability company domiciled and incorporated in the Republic of Singapore and is listed on the Singapore Exchange Securities Trading Limited (SGX-ST).

The registered office and principal place of business is located at 60 Paya Lebar Road #08-36, Paya Lebar Square, Singapore 409051.

The Company's principal activities are in property development and investment holding. The principal activities of the subsidiaries, associated companies and joint venture companies are set out in Note 13 to 15 to the financial statements.

# 2. Summary of significant accounting policies

### 2.1 Basis of preparation

The consolidated financial statements of the Group and the balance sheet of the Company have been prepared in accordance with Singapore Financial Reporting Standards (International) ("SFRS(I)").

The financial statements have been prepared on the historical cost basis except as disclosed in the accounting policies below.

The financial statements are presented in Singapore dollars (Dollars ("SGD" or "\$") and all values in the tables are recorded to the nearest thousand ("\$'000") except when otherwise indicated.

### 2.2 Adoption of new and amended standards and interpretations

The accounting policies adopted are consistent with those of the previous financial year except that in the current financial year, the Group has adopted all the new and amended standards which are relevant to the Group and are effective for annual financial periods beginning on or after 1 January 2022. The adoption of these standards did not have any material effect on the financial performance or position of the Group.

### 2.3 Standards issued but not yet effective

The Group has not adopted the following standards and interpretations that have been issued but not yet effective:

Description	Effective for annual periods beginning on or after
Amendments to SFRS(I) 1-1 and SFRS(I) Practice Statement 2: <i>Disclosure of Accounting</i> <i>Policies</i>	1 Jan 2023
Amendments to SFRS(I) 1-8: Definition of Accounting Estimates	1 Jan 2023
Amendments to SFRS(I) 1-12: Deferred Tax related to Assets and Liabilities arising from a Single Transaction	1 Jan 2023
Amendments to SFRS(I) 1 - 1: Classification of Liabilities as Current or Non-current	1 Jan 2024
Amendments to SFRS(I) 16: Lease Liability in a Sale and Leaseback	1 Jan 2024
Amendments to SFRS(I) 1-1: Non-current Liabilities with Covenants	1 Jan 2024
Amendments to SFRS(I) 10 and SFRS(I) 1-28: Sale or Contribution of Assets between an Investor and its Associate or Joint Venture	To be determined

The directors expect that the adoption of the standards above will have no material impact on the financial statements in the year of initial application.

For The Financial Year Ended 31 December 2022

# 2. Summary of significant accounting policies (cont'd)

### 2.4 Basis of consolidation and business combinations

#### (a) Basis of consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at the end of the reporting period. The financial statements of the subsidiaries used in the preparation of the consolidated financial statements are prepared for the same reporting date as the Company. Consistent accounting policies are applied to like transactions and events in similar circumstances.

All intra-group balances, income and expenses and unrealised gains and losses resulting from intra-group transactions and dividends are eliminated in full.

Subsidiaries are consolidated from the date of acquisition, being the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases.

Losses within a subsidiary are attributed to the non-controlling interest even if that results in a deficit balance.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- de-recognises the assets (including goodwill) and liabilities of the subsidiary at their carrying amounts at the date when control is lost;
- de-recognises the carrying amount of any non-controlling interest;
- de-recognises the cumulative translation differences recorded in equity;
- recognises the fair value of the consideration received;
- recognises the fair value of any investment retained;
- recognises any surplus or deficit in profit or loss; and
- re-classifies the Group's share of components previously recognised in other comprehensive income to profit or loss or retained earnings, as appropriate.

#### (b) Business combinations and goodwill

Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred, which is measured at acquisition date fair value, and the amount of any non-controlling interests in the acquiree. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs are expensed as incurred and included in administrative expenses.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date. This includes the separation of embedded derivatives in host contracts by the acquiree.

For The Financial Year Ended 31 December 2022

# 2. Summary of significant accounting policies (cont'd)

### 2.4 Basis of consolidation and business combinations (cont'd)

### (b) Business combinations and goodwill (cont'd)

Any contingent consideration to be transferred by the acquirer will be recognised at fair value at the acquisition date. Contingent consideration classified as equity is not remeasured and its subsequent settlement is accounted for within equity. Contingent consideration classified as an asset or liability that is a financial instrument and within the scope of SFRS(I) 9 *Financial Instruments*, is measured at fair value with the changes in fair value recognised in the statement of profit or loss in accordance with SFRS(I) 9. Other contingent consideration that is not within the scope of SFRS(I) 9 is measured at fair value at each reporting date with changes in fair value recognised in profit or loss.

Goodwill is initially measured at cost (being the excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests and any previous interest held over the net identifiable assets acquired and liabilities assumed). If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the Group re-assesses whether it has correctly identified all of the assets acquired and all of the liabilities assumed and reviews the procedures used to measure the amounts to be recognised at the acquisition date. If the reassessment still results in an excess of the fair value of net assets acquired over the aggregate consideration transferred, then the gain is recognised in profit or loss.

After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

Where goodwill has been allocated to a cash-generating unit (CGU) and part of the operation within that unit is disposed of, the goodwill associated with the disposed operation is included in the carrying amount of the operation when determining the gain or loss on disposal. Goodwill disposed in these circumstances is measured based on the relative values of the disposed operation and the portion of the cash-generating unit retained.

### 2.5 Subsidiaries

A subsidiary is an investee that is controlled by the Group. The Group controls an investee when it is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.

In the Company's balance sheet, investments in subsidiaries are accounted for at cost less impairment losses.

### 2.6 Transactions with non-controlling interests

Non-controlling interest represents the equity in subsidiaries not attributable, directly or indirectly, to owners of the Company.

Changes in the Company's ownership interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions. In such circumstances, the carrying amounts of the controlling and non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiary. Any difference between the amount by which the non-controlling interest is adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company.

For The Financial Year Ended 31 December 2022

# 2. Summary of significant accounting policies (cont'd)

### 2.7 Joint arrangements

A joint arrangement is a contractual arrangement whereby two or more parties have joint control. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

A joint arrangement is classified either as joint operation or joint venture, based on the rights and obligations of the parties to the arrangement.

To the extent the joint arrangement provides the Group with rights to the assets and obligations for the liabilities relating to the arrangement, the arrangement is a joint operation. To the extent the joint arrangement provides the Group with rights to the net assets of the arrangement, the arrangement is a joint venture.

(a) Joint operations

The Group recognises in relation to its interest in a joint operation,

- (a) its assets, including its share of any assets held jointly;
- (b) its liabilities, including its share of any liabilities incurred jointly;
- (c) its revenue from the sale of its share of the output arising from the joint operation;
- (d) its share of the revenue from the sale of the output by the joint operation; and
- (e) its expenses, including its share of any expenses incurred jointly.

The Group accounts for the assets, liabilities, revenues and expenses relating to its interest in a joint operation in accordance with the accounting policies applicable to the particular assets, liabilities, revenues and expenses.

(b) Joint ventures

The Group recognises its interest in a joint venture as an investment and accounts for the investment using the equity method. The accounting policy for investment in joint venture is set out in Note 2.8.

### 2.8 Joint ventures and associates

An associate is an entity over which the Group has the power to participate in the financial and operating policy decisions of the investee but does not have control or joint control of those policies.

The Group accounts for its investments in associates and joint ventures using the equity method from the date on which it becomes an associate or joint venture.

On acquisition of the investment, any excess of the cost of the investment over the Group's share of the net fair value of the investee's identifiable assets and liabilities represents goodwill and is included in the carrying amount of the investment. Any excess of the Group's share of the net fair value of the investee's identifiable assets and liabilities over the cost of the investment is included as income in the determination of the entity's share of the associate or joint venture's profit or loss in the period in which the investment is acquired.

For The Financial Year Ended 31 December 2022

# 2. Summary of significant accounting policies (cont'd)

### 2.8 Joint ventures and associates (cont'd)

Under the equity method, the investment in associates or joint ventures are carried in the balance sheet at cost plus post-acquisition changes in the Group's share of net assets of the associates or joint ventures. The profit or loss reflects the share of results of the operations of the associates or joint ventures. Distributions received from joint ventures or associates reduce the carrying amount of the investment. Where there has been a change recognised in other comprehensive income by the associates or joint venture, the Group recognises its share of such changes in other comprehensive income. Unrealised gains and losses resulting from transactions between the Group and associate or joint venture are eliminated to the extent of the interest in the associates or joint ventures.

When the Group's share of losses in an associate or joint venture equals or exceeds its interest in the associate or joint venture, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the associate or joint venture.

After application of the equity method, the Group determines whether it is necessary to recognise an additional impairment loss on the Group's investment in associate or joint ventures. The Group determines at the end of each reporting period whether there is any objective evidence that the investment in the associate or joint venture is impaired. If this is the case, the Group calculates the amount of impairment as the difference between the recoverable amount of the associate or joint venture and its carrying value and recognises the amount in profit or loss.

The financial statements of the associates and joint ventures are prepared as the same reporting date as the Company. Where necessary, adjustments are made to bring the accounting policies in line with those of the Group.

### 2.9 Foreign currency

The financial statements are presented in Singapore Dollars, which is also the Company's functional currency. Each entity in the Group determines its own functional currency and items included in the financial statements of each entity are measured using that functional currency.

(a) Transactions and balances

Transactions in foreign currencies are measured in the respective functional currencies of the Company and its subsidiaries and are recorded on initial recognition in the functional currencies at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the end of the reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the end of the reporting period are recognised in profit or loss except for exchange differences arising on monetary items that form part of the Company's net investment in foreign operations, which are recognised initially in other comprehensive income and accumulated under foreign currency translation reserve in equity. The foreign currency translation reserve is reclassified from equity to profit or loss of the Company on disposal of the foreign operation.

For The Financial Year Ended 31 December 2022

# 2. Summary of significant accounting policies (cont'd)

### 2.9 Foreign currency (cont'd)

### (b) Consolidated financial statements

For consolidation purpose, the assets and liabilities of foreign operations are translated into SGD at the rate of exchange ruling at the end of the reporting period and their profit or loss are translated at the exchange rates prevailing at the date of the transactions. The exchange differences arising on the translation are recognised in other comprehensive income. On disposal of a foreign operation, the component of other comprehensive income relating to that particular foreign operation is recognised in profit or loss.

In the case of a partial disposal without loss of control of a subsidiary that includes a foreign operation, the proportionate share of the cumulative amount of the exchange differences are re-attributed to noncontrolling interest and are not recognised in profit or loss. For partial disposals of associates or jointly controlled entities that are foreign operations, the proportionate share of the accumulated exchange differences is reclassified to profit or loss.

### 2.10 Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost. Subsequent to recognition, these items are measured at cost less accumulated depreciation and any accumulated impairment losses.

Freehold land has an unlimited useful life and therefore is not depreciated.

Depreciation of an asset begins when it is available for use and is computed on a straight-line basis over the estimated useful lives of the assets as follows:

Leasehold land	-	Over the remaining lease period
Freehold and leasehold buildings	-	50 years or over the remaining lease period, whichever is shorter
Plant and equipment	-	10 years
Renovations	-	5 to 6 years
Motor vehicles	-	5 to 10 years
Equipment and fixtures	-	3 to 10 years
Furniture and fittings	-	5 to 10 years
Computers	-	3 years

Assets under construction included in property, plant and equipment are not depreciated as these assets are not yet available for use.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual value, useful life and depreciation method are reviewed at each financial year-end, and adjusted prospectively, if appropriate.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is included in profit or loss in the year the asset is derecognised.

For The Financial Year Ended 31 December 2022

# 2. Summary of significant accounting policies (cont'd)

### 2.11 Investment properties

Investment properties are properties that are either owned by the Group or leased under a finance lease that are held to earn rentals or for capital appreciation, or both, rather than for use in the production or supply of goods or services, or for administrative purposes, or in the ordinary course of business. Investment properties comprise completed investment properties and properties that are being constructed or developed for future use as investment properties. Properties held under operating leases are classified as investment properties when the definition of an investment property is met.

Investment properties are initially measured at cost, including transaction costs.

Subsequent to initial recognition, investment properties are measured at fair value. Gains or losses arising from changes in the fair values of investment properties are included in profit or loss in the year in which they arise.

Investment properties are derecognised when either they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit is expected from its disposal. Any gains or losses on the retirement or disposal of an investment property are recognised in profit or loss in the year of retirement or disposal.

Transfers are made to or from investment property only when there is a change in use. For a transfer from investment property to owner-occupied property, the deemed cost for subsequent accounting is the fair value at the date of change in use.

#### 2.12 Development properties

Development properties are properties acquired or being constructed for sale in the ordinary course of business, rather than to be held for the Group's own use, rental or capital appreciation.

Development properties are held as inventories and are measured at the lower of cost and net realisable value.

Net realisable value of development properties is the estimated selling price in the ordinary course of business, based on market prices at the reporting date and discounted for the time value of money if material, less the estimated costs of completion and the estimated costs necessary to make the sale.

The costs of development properties recognised in profit or loss on disposal are determined with reference to the specific costs incurred on the property sold and an allocation of any non-specific costs based on the relative size of the property sold.

### 2.13 Assets held for sale

The Group classifies current and non-current assets and disposal groups as held for sale if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use. Current and non-current assets and disposal groups classified as held for sale (except for investment property measured at fair value) are measured at the lower of their carrying amount and fair value less costs to sell. Costs to sell are the incremental costs directly attributable to the disposal of an asset (disposal group), excluding finance costs and income tax expense.

The criteria for held for sale classification is regarded as met only when the sale is highly probable, and the asset or disposal group is available for immediate sale in its present condition. Actions required to complete the sale should indicate that it is unlikely that significant changes to the sale will be made or that the decision to sell will be withdrawn. Management must be committed to the plan to sell the asset and the sale is expected to be completed within one year from the date of the classification.

Investment property held for sale continues to be measured at fair value. Property, plant and equipment once classified as held for sale are not depreciated. Assets and liabilities classified as held for sale are presented separately in the statement of financial position.

For The Financial Year Ended 31 December 2022

# 2. Summary of significant accounting policies (cont'd)

### 2.14 Intangible assets

#### Goodwill

Goodwill is initially measured at cost. Following initial recognition, goodwill is measured at cost less any accumulated impairment losses.

For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to the Group's cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

The cash-generating unit to which goodwill has been allocated is tested for impairment annually and whenever there is an indication that the cash-generating unit may be impaired. Impairment is determined for goodwill by assessing the recoverable amount of each cash-generating unit (or group of cash-generating units) to which the goodwill relates. Where the recoverable amount of the cash-generating unit is less than the carrying amount, an impairment loss is recognised in profit or loss. Impairment losses recognised for goodwill are not reversed in subsequent periods.

Where goodwill forms part of a cash-generating unit and part of the operation within that cash-generating unit is disposed of, the goodwill associated with the operation disposed of is included in the carrying amount of the operation when determining the gain or loss on disposal of the operation. Goodwill disposed of in this circumstance is measured based on the relative fair values of the operations disposed of and the portion of the cash-generating unit retained.

### 2.15 Impairment of non-financial assets

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when an annual impairment testing for an asset is required, the Group makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs of disposal and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows expected to be generated by the asset are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs to sell, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

The Group bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the Group's cash-generating units to which the individual assets are allocated. These budgets and forecast calculations are generally covering a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year.

Impairment losses of continuing operations are recognised in profit or loss, except for assets that are previously revalued where the revaluation was taken to other comprehensive income. In this case, the impairment is also recognised in other comprehensive income up to the amount of any previous revaluation.

For The Financial Year Ended 31 December 2022

# 2. Summary of significant accounting policies (cont'd)

### 2.15 Impairment of non-financial assets (cont'd)

For assets excluding goodwill, an assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. If such indication exists, the Group estimates the asset's or cash-generating unit's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in profit or loss unless the asset is measured at revalued amount, in which case the reversal is treated as a revaluation increase.

#### 2.16 Financial instruments

#### (a) Financial assets

#### Initial recognition and measurement

Financial assets are recognised when, and only when the Group becomes a party to the contractual provisions of the financial instrument.

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Trade receivables are measured at the amount of consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third party, if the trade receivables do not contain a significant financing component at initial recognition.

#### Subsequent measurement

#### Investments in debt instruments

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the contractual cash flow characteristics of the asset. The three measurement categories for classification of debt instruments are:

(i) Amortised cost

Financial assets that are held for the collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Financial assets are measured at amortised cost using the effective interest method, less impairment. Gains and losses are recognised in profit or loss when the assets are derecognised or impaired, and through amortisation process.

(ii) Fair value through other comprehensive income (FVOCI)

Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Financial assets measured at FVOCI are subsequently measured at fair value. Any gains or losses from changes in fair value of the financial assets are recognised in other comprehensive income, except for impairment losses, foreign exchange gains and losses and interest calculated using the effective interest method are recognised in profit or loss. The cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment when the financial asset is de-recognised.

For The Financial Year Ended 31 December 2022

# 2. Summary of significant accounting policies (cont'd)

### 2.16 Financial instruments (cont'd)

(a) Financial assets (cont'd)

#### Subsequent measurement (cont'd)

(iii) Fair value through profit or loss

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt instrument that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss in the period in which it arises.

#### Derivatives

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently remeasured to their fair value at the end of each reporting period. Changes in fair value of derivatives are recognised in profit or loss.

#### **Derecognition**

A financial asset is derecognised where the contractual right to receive cash flows from the asset has expired. On de-recognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that had been recognised in other comprehensive income is recognised in profit or loss.

#### Regular way purchases and sales

All regular way purchases and sales of financial assets are recognised or derecognised on the trade date i.e. the date that the Group commits to purchase or sell the asset. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the period generally established by regulation or convention in the marketplace concerned.

(b) Financial liabilities

#### Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value and in the case of other financial liabilities, plus directly attributable transaction costs. Derivative instruments are initially recognised at fair value on the date a derivative contract is entered into.

#### Subsequent measurement

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process. Derivative instruments are subsequently re-measured to their fair value at the end of each reporting period. Changes in fair value of derivative instruments are recognised in profit or loss.

67

For The Financial Year Ended 31 December 2022

# 2. Summary of significant accounting policies (cont'd)

### 2.16 Financial instruments (cont'd)

(b) Financial liabilities (cont'd)

#### **Derecognition**

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. On derecognition, the difference between the carrying amounts and the consideration paid is recognised in profit or loss.

### 2.17 Impairment of financial assets

The Group recognises an allowance for expected credit losses ("ECLs") for all debt instruments not held at fair value through profit or loss and financial guarantee contracts. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Group expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

For trade receivables and contract assets, the Group applies a simplified approach in calculating ECLs. Therefore, the group does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Group has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

The Group considers a financial asset in default when contractual payments are 90 days past due. However, in certain cases, the Group may also consider a financial asset to be in default when internal or external information indicates that the Group is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Group. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

### 2.18 Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and at banks and unpledged fixed deposits that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

### 2.19 Financial guarantee

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due in accordance with the terms of a debt instrument.

Financial guarantees are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequent to initial recognition, financial guarantees are measured at the higher of the amount of expected credit loss determined in accordance with the policy set out in Note 2.15 and the amount initially recognised less, when appropriate, the cumulative amount of income recognised over the period of the guarantee.

For The Financial Year Ended 31 December 2022

# 2. Summary of significant accounting policies (cont'd)

### 2.20 Borrowing costs

Borrowing costs are capitalised as part of the cost of a qualifying asset if they are directly attributable to the acquisition, construction or production of that asset. Capitalisation of borrowing costs commences when the activities to prepare the asset for its intended use or sale are in progress and the expenditures and borrowing costs are incurred. Borrowing costs are capitalised until the assets are substantially completed for their intended use or sale. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

### 2.21 Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount of the obligation can be estimated reliably.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

#### 2.22 Leases

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

(a) Group as a lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

(i) <u>Right-of-use assets</u>

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

Leasehold land – Over the remaining lease period

If ownership of the leased asset transfers to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment. The accounting policy for impairment is disclosed in Note 2.15.

The Group's right-of-use assets are presented within property, plant and equipment (Note 11).

For The Financial Year Ended 31 December 2022

# 2. Summary of significant accounting policies (cont'd)

### 2.22 Leases (cont'd)

- (a) Group as a lessee (cont'd)
  - (ii) <u>Lease liabilities</u>

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

The Group's lease liabilities are disclosed in Note 36.

### (iii) Short-term leases and leases of low-value assets

The Group applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low value assets are recognised as expense on a straight-line basis over the lease term.

Leases in which the Group does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms and is included in revenue in the statement of profit or loss due to its operating nature. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

### (b) Group as a lessor

Leases in which the Group does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned. The accounting policy for rental income is set out in Note 2.24.

For The Financial Year Ended 31 December 2022

#### 2. Summary of significant accounting policies (cont'd)

#### 2.23 Employee benefits

#### (a) Defined contribution plans

The Group participates in the national pension schemes as defined by the laws of the countries in which it has operations. In particular, the Singapore companies in the Group make contributions to the Central Provident Fund scheme in Singapore, a defined contribution pension scheme. Contributions to defined contribution pension schemes are recognised as an expense in the period in which the related service is performed.

#### (b) *Employment leave entitlement*

Employee entitlements to annual leave are recognised as a liability when they are accrued to employees. A provision is made for the estimated liability for leave as a result of services rendered by employees up to the end of the reporting period.

#### 2.24 Revenue

Revenue is measured based on the consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Revenue is recognised when the Group satisfies a performance obligation by transferring a promised good or service to the customer, which is when the customer obtains control of the good or service. A performance obligation may be satisfied at a point in time or over time. The amount of revenue recognised is the amount allocated to the satisfied performance obligation.

#### Sale of completed development property

A development property is regarded as sold when the significant risks and returns have been transferred to the buyer, which is normally on unconditional exchange of contracts. For conditional exchanges, sales are recognised only when all the significant conditions are satisfied.

#### II Sale of development property under construction

The Group develops and sells residential and commercial properties before completion of construction of the properties.

Revenue is recognised when control over the property has been transferred to the customer, either over time or at a point in time, depending on the contractual terms and the practices in the legal jurisdictions.

For development properties whereby the Group is restricted contractually from directing the properties for another use as they are being developed and has an enforceable right to payment for performance completed to date, revenue is recognised over time, based on the construction and other costs incurred to date as a proportion of the estimated total construction and other costs to be incurred.

For development properties whereby the Group does not have an enforceable right to payment for performance completed to date, revenue is recognised when the customer obtains control of the asset.

Progress billings to the customers are based on a payment schedule in the contract and are typically triggered upon achievement of specified construction milestones. A contract asset is recognised when the Group has performed under the contract but has not yet billed the customer. Conversely, a contract liability is recognised when the Group has not yet performed under the contract but has received advanced payments from the customer. Contract assets are transferred to receivables when the rights to consideration become unconditional. Contract liabilities are recognised as revenue as the Group performs under the contract.

71

For The Financial Year Ended 31 December 2022

#### 2. Summary of significant accounting policies (cont'd)

#### 2.24 Revenue (cont'd)

II Sale of development property under construction (cont'd)

Incremental costs of obtaining a contract are capitalised if these costs are recoverable. Costs to fulfil a contract are capitalised if the costs relate directly to the contract, generate or enhance resources used in satisfying the contract and are expected to be recovered. Other contract costs are expensed as incurred.

Capitalised contract costs are subsequently amortised on a systematic basis as the Group recognises the related revenue. An impairment loss is recognised in profit or loss to the extent that the carrying amount of the capitalised contract costs exceeds the remaining amount of consideration that the Group expects to receive in exchange for the goods or services to which the contract costs relates less the costs that relate directly to providing the goods and that have not been recognised as expenses.

III Rental income

Rental income arising on investment properties is accounted for on a straight-line basis over the lease terms on ongoing leases. The aggregate cost of incentives provided to lessees is recognised as a reduction of rental income over the lease term on a straight-line basis.

IV Hotel operation income

Income from hotel operations is recognised when goods are delivered or services are rendered to customers.

V Interest income

Interest income is recognised as interest accrues using the effective interest method.

VI Rendering of services

Revenue from provision of services is recognised when these services are rendered.

VII Dividend income

Dividend income is recognised when the Group's right to receive payment is established.

#### 2.25 Taxes

#### (a) Current income tax

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the end of the reporting period, in the countries where the Group operates and generates taxable income.

Current income taxes are recognised in profit or loss except to the extent that the tax relates to items recognised outside profit or loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

For The Financial Year Ended 31 December 2022

#### 2. Summary of significant accounting policies (cont'd)

#### 2.25 Taxes (cont'd)

(b) Deferred tax

Deferred tax is provided using the liability method on temporary differences at the end of the reporting period between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all temporary differences, except:

- Where the deferred tax liability arises from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised except:

- Where the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at the end of each reporting period and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the end of each reporting period.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity and deferred tax arising from a business combination is adjusted against goodwill on acquisition.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current income tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Tax benefits acquired as part of a business combination, but not satisfying the criteria for separate recognition at that date, would be recognised subsequently if new information about facts and circumstances changed. The adjustment would either be treated as a reduction to goodwill (as long as it does not exceed goodwill) if it is incurred during the measurement period or in profit or loss.

For The Financial Year Ended 31 December 2022

#### 2. Summary of significant accounting policies (cont'd)

#### 2.25 Taxes (cont'd)

(c) Sales tax

Revenues, expenses and assets are recognised net of the amount of sales tax except:

- Where the sales tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case the sales tax is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- Receivables and payables that are stated with the amount of sales tax included.

The net amount of sales tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

#### 2.26 Segment reporting

For management purposes, the Group is organised into operating segments based on their products and services which are independently managed by the respective segment managers responsible for the performance of the respective segments under their charge. The segment managers report directly to the management of the Company who regularly review the segment results in order to allocate resources to the segments and to assess the segment performance. Additional disclosures on each of these segments are shown in Note 43, including the factors used to identify the reportable segments and the measurement basis of segment information.

#### 2.27 Share capital and share issue expenses

Proceeds from issuance of ordinary shares are recognised as share capital in equity. Incremental costs directly attributable to the issuance of ordinary shares are deducted against share capital.

#### 2.28 Contingencies

A contingent liability is:

- (a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group; or
- (b) a present obligation that arises from past events but is not recognised because:
  - (i) It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
  - (ii) The amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group.

Contingent liabilities and assets are not recognised on the balance sheet of the Group, except for contingent liabilities assumed in a business combination that are present obligations and which the fair values can be reliably determined.

For The Financial Year Ended 31 December 2022

#### 2. Summary of significant accounting policies (cont'd)

#### 2.29 Government grants

Government grants are recognised when there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. Where the grant relates to an asset, the fair value is recognised as deferred capital grant on the balance sheet and is amortised to profit or loss over the expected useful life of the relevant asset by equal annual instalments. Where the grant relates to income, it is recognised in profit or loss on a systematic basis over the periods in which the entity recognises as expenses the related costs for which the grants are intended to compensate.

#### 3. Significant accounting estimates and judgements

The preparation of the Group's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the reporting date. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying amounts of assets and liabilities that are not readily apparent from other sources.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, and in any future periods affected.

Information about significant areas of estimation that have the most significant effect on the amounts recognised in the financial statements is included in the following notes:

- Property, plant and equipment (Note 11)
- Determination of fair value of investment properties (Note 12)

#### 3.1 Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of each reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below. The Group based its assumptions and estimates on parameters available when the financial statement was prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

#### (a) Valuation of investment properties

The Group carries its investment properties and investment property held for sale at fair value, with changes in fair values being recognised in profit or loss. The Group engaged independent valuation specialists to determine fair value as at 31 December 2022. The two valuation techniques adopted were the Market Comparable Approach Method and Income Approach Method. The former involves analysing recent sales evidence of similar properties. Adjustments are made to differences in location, age, tenure, floor area, condition, exposure, date of sale, amongst other factors, before arriving at the market value of the property. The latter involves the conversion of the net income of the property into a capital sum at a suitable rate of return which reflects the quality of the investment. The net income is the balance sum after deducting property tax, cost of repairs and maintenance and a reasonable percentage for vacancy from the gross rent. The value of the property is arrived at by capitalising the net rent at a suitable rate of return.

For The Financial Year Ended 31 December 2022

#### 3. Significant accounting estimates and judgements (cont'd)

#### 3.1 *Key sources of estimation uncertainty (cont'd)*

#### (a) Valuation of investment properties (cont'd)

The independent valuers have considered the global economic uncertainty as a result of heightened macro-economic, geopolitical and supply chain risks, and have made necessary adjustments to the valuation. The valuation reports also highlighted that given the ongoing geo-political headwinds, economic uncertainty and rising interest costs, these may have impact on the economy and property market. Due to the unknown future impact that might have on the real estate market, the external valuers have also recommended to keep the valuation of these properties under frequent review.

The key assumptions used to determine the fair value of these investment properties and sensitivity analysis are provide in Note 40.

The carrying amount of the Group's investment properties as at 31 December 2022 was \$217,324,000 (2021: \$223,809,000).

(b) Income taxes

The Group's exposure to income taxes mainly arises from Singapore. Significant judgement is involved in determining the Group-wide provision for income taxes. There are certain transactions and computations for which the ultimate tax determination is uncertain during the ordinary course of business. The Group recognises liabilities for expected tax issues based on estimates of whether additional taxes will be due. Where the final tax outcome of these matters is different from the amounts that were initially recognised, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of the Group's income tax payable and deferred tax liabilities at 31 December 2022 was \$3,525,000 (2021: \$3,928,000) and \$656,000 (2021: \$707,000) respectively.

(c) Impairment assessment of property, plant and equipment

An impairment exists when the carrying value of property, plant and equipment exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions in an arm's length transaction of similar assets or observable market prices less incremental costs for disposing the asset.

Management assesses whether there are trigger events indicating potential impairment at each reporting date. Where applicable, the Group considers independent valuation reports of valuation specialists to support the recoverable amounts of certain property, plant and equipment. The fair values are determined by external specialists using valuation techniques which involve the use of estimates and assumptions which are reflective of current market conditions.

Certain valuation reports obtained from the external specialist also highlighted the global economic uncertainty as a result of heightened macro-economic, geopolitical and supply chain risks as well as any continued or escalating COVID-19 related risks (in some location) and have made necessary adjustments. The valuation reports also highlighted that given the ongoing geo-political headwinds, economic uncertainty and rising energy and interest costs, these may have impact on the economy and property market. Due to the challenging economic outlook and financial market instability and future impact that these might have on the real estate market, the external valuers have also recommended to keep the valuation of these properties under frequent review.

For The Financial Year Ended 31 December 2022

#### 3. Significant accounting estimates and judgements (cont'd)

#### 3.1 *Key sources of estimation uncertainty* (cont'd)

#### (d) Impairment assessment of interest in associated companies and joint ventures companies

The Group has significant interests in associated companies and joint ventures companies. The Group's interests in associated companies and joint ventures companies comprise the investments and amounts due from associated companies and joint ventures companies. The associated companies and joint ventures companies. The associated companies and joint ventures companies of property development. The Group assesses at the end of each reporting period whether there is any objective evidence that the interest is impaired.

The Group applies the general approach to provide for ECLs on amounts due from associated companies and joint ventures companies carried at amortised cost. At each reporting date, the Group assesses whether the credit risk of a financial asset has increased significantly since initial recognition. When initial credit risk has increased significantly since initial recognition, loss allowance is measured at an amount equal to lifetime ECLs.

The assessment of whether credit risk of a financial asset has increased significantly since initial recognition is a significant estimate. Credit risk assessment is based on both quantitative and qualitative information and analysis, based on the Group's historical experience and informed credit assessment and includes forward-looking information.

The carrying amounts of the Group's interests in associated companies and joint venture companies are disclosed in Notes 14 and 15 to the financial statements respectively.

#### (e) *Fair value measurement of unquoted equity security*

The Group has investment in unquoted equity security which is measured at FVOCI. The fair value of unquoted equity security measured at FVTOCI is estimated based on the net asset value (NAV) of the investee entity adjusted for the fair value of the underlying development property. This requires the Group to engage external valuation expert to perform the valuation. The information about the fair value measurement is disclosed in Note 40 to the financial statements.

As at 31 December 2022, the carrying amount of the unquoted equity security amounted to \$1,431,000 (2021: \$320,000).

#### (f) Leases - Estimating the incremental borrowing rate

The Group cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate (IBR) to measure lease liabilities. The IBR is the rate of interest that the Group would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment. The IBR therefore reflects what the Group 'would have to pay', which requires estimation when no observable rates are available or when they need to be adjusted to reflect the terms and conditions of the lease. The Group estimates the IBR using observable inputs such as market interest rates when available and is required to make certain entity-specific estimates such as the Group's stand-alone credit rating.

For The Financial Year Ended 31 December 2022

#### 3. Significant accounting estimates and judgements (cont'd)

#### 3.2 Judgements made in applying accounting policies

In the process of applying the Group's accounting policies, management has made the following judgements, apart from those involving estimations, which have the most significant effect on the amounts recognised in the consolidated financial statements:

#### (a) Classification of property

The Group determines whether a property is classified as investment property, development property or property, plant and equipment as follows:

- Investment property comprises land and buildings (principally offices, commercial and retail property) which are not occupied substantially for use by, or in the operations of, the Group, nor for sale in the ordinary course of business, but are held primarily to earn rental income or for capital appreciation, or both.
- Development property comprises property that is held for sale in the ordinary course of business. Principally, this is residential and commercial property that the Group develops and intends to sell before or on completion of construction.
- Property, plant and equipment comprises land and buildings (principally hotel properties) which are held for use in the supply of services to earn hotel operation income.

#### (b) Classification of investments as associated companies

An associate is an entity over which the Group has the power to participate in the financial and operating policy decisions of the investee but does not have control or joint control of those policies.

Management has determined that it does not have control or joint control over its associated companies. The Group's associated companies are disclosed in Note 14 to the financial statements.

#### 4. Revenue

- Under provision in respect of previous years	19	111
	16	112
Income tax expense recognised in profit or loss	2,260	672

For The Financial Year Ended 31 December 2022

#### 9. Income tax expense (cont'd)

#### Relationship between tax expense and accounting profit

The reconciliation between tax expense and the product of accounting profit multiplied by the applicable corporate tax rate for the years ended 31 December 2022 and 2021 are as follows:

	Gro	up
	2022	2021
	\$'000	\$'000
Profit before tax	6,663	29,083
Tax at the domestic rates applicable to profits in the countries where the Group operates Adjustments:	1,272	3,968
Non-deductible expenses	1,794	6,057
Income not subject to taxation	(1,376)	(7,398)
Effect of tax rebate and partial tax exemption	(66)	(72)
Deferred tax assets not recognised	215	649
Under/(over) provision in respect of previous years	520	(1,558)
Share of results of associated companies and joint venture companies	(646)	(1,151)
Tax losses not allowed to be carried forward	516	163
Others	31	14
Income tax expense recognised in profit or loss	2,260	672

#### 10. Earnings per share

Basic earnings per share is calculated by dividing profit for the year attributable to owners of the Company by the weighted average number of ordinary shares outstanding during the financial year.

Diluted earnings per share is calculated by dividing profit for the year attributable to owners of the Company by the weighted average number of ordinary shares outstanding during the financial year plus the weighted average number of ordinary shares that would be issued on the conversion of all the dilutive potential ordinary shares into ordinary shares.

The following tables reflect the profit and share data used in the computation of basic and diluted earnings per share for the years ended 31 December:

	Gro	oup
	2022	2021
	\$'000	\$'000
Profit for the year attributable to owners of the Company used in the computation of basic earnings per share and diluted earnings per share	2,140	18,752
	No. of shares '000	No. of shares '000
Weighted average number of ordinary shares for basic earnings per share and diluted earnings per share computation	487,735	487,735

#### Impairment of property, plant and equipment

During the year, management assessed the recoverable amounts of the property, plant and equipment of the hospitality segment in the United Kingdom. The recoverable amount was assessed based on independent valuation and management's value-in-use calculation using the discounted cash flow method. The Group recognised a reversal of impairment of \$5,071,000 (2021: \$32,801,000) for the year ended 31 December 2022.

The fair value measurement is categorised as Level 3 of the fair value hierarchy.

The following table shows the valuation technique as well as the significant unobservable inputs used:

Valuation method	Key unobservable inputs	Operating Segments United Kingdom	between unobservable inputs and fair value measurement
Discounted cash flow method	Discount rate	6.5% to 12.5% (2021: 6.5% to 11.8%)	The estimated fair value varies inversely against the discount rate and terminal yield rate
	Terminal yield rate	4.0% to 10.0% (2021: 4.5% to 9.8%)	

#### Assets held under finance leases

As at 31 December 2022, the Group have motor vehicles held under finance leases with a net carrying amount of approximately \$39,000 (2021: \$50,000).

Inter-relationship

For The Financial Year Ended 31 December 2022

#### 11. Property, plant and equipment (cont'd)

#### Assets pledged as security

The Group's freehold and leasehold land and buildings are generally mortgaged to banks to secure banking facilities granted to the Group (Note 30).

#### Assets held for sale

The Group had disposed certain freehold and leasehold buildings and engaged an external consultant to assist in the sale during the year ended 31 December 2021. The sale was completed in March 2022. In accordance with SFRS(I) 5 *Non-current Assets Held for Sale and Discontinued Operations*, a net carrying amount of approximately \$17,261,000 was classified as assets held for sale (Note 20) in 2021.

#### Disposal of property, plant and equipment

In 2021, the Group sold a hotel property with a total net carrying amount of approximately \$9,257,000 for a cash consideration of \$5,951,000. The net loss on this disposal was recognized as part of loss on disposal of property, plant and equipment in the statement of comprehensive income.

#### 12. Investment properties

	Gro	oup

The Group has no restrictions on the realisability of its investment properties and no contractual obligations to purchase, construct or develop investment property or for repairs, maintenance or enhancements.

#### Valuation of investment properties

Investment properties are stated at fair value, which has been determined based on valuations performed as at 31 December 2022 and 31 December 2021. The valuations were performed by Savills Valuation and Professional Services (S) Pte. Ltd., Knight Frank LLP and Knight Frank Pte. Ltd., independent valuers with recognised and relevant professional qualifications and with recent experience in the location and category of the properties being valued. Details of valuation technique and inputs used are disclosed in Note 40.

For The Financial Year Ended 31 December 2022

#### 12. Investment properties (cont'd)

#### Properties pledged as security

All investment properties are mortgaged to banks to secure banking facilities granted to the Group (Note 30).

The Group's investment properties as at 31 December 2022 are as follows:

Description and location	Existing use	Tenure	Unexpired lease term
Tampines Mart (Block 5, 7, 9, 11 Tampines Street 32)	Shops	Leasehold	70 years
62 Sembawang Road	Transport facility	Freehold	Estate in perpetuity

# 17. Amounts due from/to associated companies and joint venture companies (non-trade) (cont'd)

#### Amount due from associated companies (current and non-current)

Amounts due from associated companies are non-trade related, unsecured and are to be settled in cash. These amounts are expected to be repaid from 2023 to 2025. These amounts are interest free except for an amount of \$22,247,000 (2021: \$22,085,000) denominated in Thai Baht which bear interest at 4.50% (2021: 4.50%) per annum and an amount of \$19,449,000 (2021: \$20,032,000) denominated in Singapore Dollars which bear interest at rates ranging from 1.00% to 5.28% (2021: 1.00% to 5.28%) per annum.

#### Amounts due from joint venture companies (current and non-current)

Amounts due from joint venture companies are non-trade related, unsecured and are to be settled in cash. These amounts are expected to be repaid from 2023 to 2025. These amounts are interest free except for an amount of \$Nil (2021: \$40,712,000) denominated in Singapore Dollars which bears interest at rate of Nil% (2021: 1.00% to 2.30%) per annum.

#### Amounts due to associated companies (non-current)

Amounts due to associated companies are unsecured, non-interest bearing and are not expected to be repaid within the next twelve months. These balances are to be settled in cash.

#### Amounts due to joint venture companies (non-current)

Amounts due to joint venture companies are non-trade related, unsecured and are to be settled in cash. These amounts are not expected to be repaid within the next twelve months. These amounts are interest free except for an amount of \$36,500,000 (2021: \$36,500,000) bear interest at 2.50% (2021: 2.50%) per annum.

#### **Expected credit loss**

The movement in allowance for expected credit losses of amount due from associated companies and joint venture companies are as follows:

	Group		Company	
	2022	2021	2022	2021
	\$'000	\$'000	\$'000	\$'000
At 1 January	11,442	5,517	-	-
Provision for expected credit losses (Note 8)	1,960	5,925	_	_
At 31 December	13,402	11,442	_	_

For The Financial Year Ended 31 December 2022

#### 18. Intangible assets

	<b>Goodwill</b> \$'000
Group	
Cost:	
At 1 January 2021, 31 December 2021, 1 January 2022 and 31 December 2022	175
Accumulated impairment:	
At 1 January 2021, 31 December 2021, 1 January 2022 and 31 December 2022	(66)
Net carrying amount:	
At 31 December 2021 and 31 December 2022	109

#### Impairment testing of goodwill

Goodwill acquired through business combinations has been allocated for impairment testing purposes to the individual entity which is also the cash-generating unit ("CGU").

Allocated goodwill based on the CGU is as follows:

	Carrying amount as at		Basis on which recoverable amount is determined	Pre-tax discount rate	
	2022	2021			
	\$'000	\$'000			
Heeton Estate Pte Ltd	109	109	Value-in-use	10%	

A summary of goodwill allocated to the reportable segments to which this CGU belongs is presented below:

	Property investment \$'000
Net carrying amount:	
At 31 December 2021 and 2022	109

The value-in-use calculations apply a discounted cash flow model using cash flow projections based on financial budgets and forecasts approved by management covering a 5-year period. The pre-tax discount rates applied to the cash flow projections are derived from the cost of capital plus a reasonable risk premium. The growth rate during the forecast period has been conservatively assumed to be zero in the absence of a reliable average growth rate for the industry in which the entity operates.

No impairment loss was required for the financial years ended 31 December 2022 and 2021 as the amount of discounted net cash inflows attributable to the CGU was in excess of the carrying amount of the goodwill.

For The Financial Year Ended 31 December 2022

### 19. Development property

Reclassification from Property, plant and equipment (Note 11)	-	5,909	5,909
Impairment:			
Charge for the year (Note 8)	-	(551)	(551)
At 31 December 2021	11,903	5,358	17,261

The Group's 55%-owned subsidiary, 186 Wickham Street (Residential) Pty Ltd, had entered into a Put and Call Option Deed and Deed of Variation of Put and Call Option Deed with a third party for the disposal of its development property.

The Group's 70%-owned subsidiary, Fortitude Valley (Hotels) Pty Ltd had entered into a Put and Call Option Deed and Deed of Variation of Put and Call Option Deed with a third party for the disposal of its property, plant and equipment.

In accordance with SFRS(I)5 *Non-current Assets Held for Sale and Discontinued Operations*, the above-mentioned development property and property, plant and equipment were classified as assets held for sale at the end of the reporting period.

The sales were completed on 28 March 2022.

107

For The Financial Year Ended 31 December 2022

## 20. Assets held for sale (cont'd)

#### Write-down of freehold land

Immediately before the classification of the freehold land as assets held for sale, the recoverable amount was estimated, and no impairment loss was identified. Following the classification, a write-down of \$551,000 was recognised to reduce the carrying amount of the assets to their fair value less costs to sell. This was recognised as impairment loss in the statement of profit or loss for the year ended 31 December 2021.

### 21. Trade receivables

	Group		Company	
	2022	2021	2022	2021
	\$'000	\$'000	\$'000	\$'000
Trade receivables	683	1,679	-	-

Trade receivables are non-interest bearing and are generally on cash basis. They are recognised at their original invoice amounts which represent their fair values on initial recognition.

## 22. Other receivables

	Gro	Group		pany
	2022	2021	2022	2021
	\$'000	\$'000	\$'000	\$'000

Promissory notes receivables are unsecured, with \$14,000,000 which bear interest at 3% per annum and are repayable in 2024 and \$18,000,000 which bear interest at 3.5% per annum and are repayable in 2024 (2021: \$14,000,000 which bear interest at 3.0% per annum and are repayable in 2023, or if extended, repayable in 2024 and \$18,000,000 which bear interest at 3.5% per annum and are repayable in 2023).

Senior notes receivables are unsecured, bear interest at 3% per annum and are repayable in 2024 (2021: Unsecured, bear interest at 3% per annum and are repayable in 2023, or if extended, repayable in 2024).

For The Financial Year Ended 31 December 2022

## 22. Other receivables (cont'd)

Other receivables (non-current) amounting to \$12,113,000 (2021: \$11,480,000) relating to shareholder's loan to an investee company are unsecured, bear interest at 4% per annum, and are not expected to be repaid within the next 12 months, and are to be settled in cash.

Other receivables amounting to \$8,300,000 (2021: \$8,300,000) are unsecured and, and bear interest at 3.50% per annum. Other receivables amounting to \$16,746,000 (2021: \$13,551,000) are unsecured, bear interest at 5.00% (2021: 5.00%) per annum and repayable on demand. The remaining current other receivables of \$11,797,000 (2021: \$13,887,000) are unsecured, non-interest bearing and repayable within the next 12 months.

#### **Expected credit loss**

The movement in allowance for expected credit losses for other receivables are as follows:

	Group		Com	pany
	2022	2021	2022	2021
	\$'000	\$'000	\$'000	\$'000
At 1 January	18,505	16,200	18,505	16,200
Provision for expected credit losses (Note 8)	2,260	2,305	2,260	2,305
At 31 December	20,765	18,505	20,765	18,505

The expected credit losses relate to receivables from a non-related party undertaking a property development project and assessed based on the estimated realisable value from the development property of this party.

### 23. Amounts due from/to subsidiaries (non-trade) Amounts due from related parties (trade)

These balances are unsecured, non-interest bearing and are repayable on demand except for amounts due from subsidiaries of \$213,350,000 (2021: \$248,938,000) and amounts due to subsidiaries of \$162,712,000 (2021: \$171,956,000) which bear interest at 4.50% (2021: 4.50%) per annum. These amounts are to be settled in cash.

	Com	Company		
	2022	2021

Other payables are non-interest bearing and are normally settled on 30 to 90 days' terms.

For The Financial Year Ended 31 December 2022

### 28. Bonds

The Group has bond issue outstanding as at 31 December 2022 of \$62,730,000 (2021: \$70,300,000) which is unsecured and bears interest at a fixed rate of 6.8% per annum with \$6.27 million due May 2023 and balance \$56.46 million due November 2023.

### 29. Derivative financial instruments

	Group and Company				
	202	2	202	21	
	Outstanding notional		Outstanding notional		
	amounts	Assets	amounts	Liabilities	
	\$'000	\$'000	\$'000	\$'000	
Non-current:					
Interest rate swaps	80,925	331	94,135	101	

The Group and the Company entered into interest rate swaps in Pound Sterling and Singapore Dollars to manage its exposure to interest rate fluctuation on its floating rate loans and borrowings. As at 31 December 2022, the Pound Sterling interest rate swaps receive floating rate interest equal to 3-month SONIA plus credit adjustment spread ranged from 0.57% to 0.95% (2021 3-month LIBOR: 0.03% to 0.23%) and pay fixed rates of interest at 0.66% to 0.67% (2021: 0.66% to 0.67%). The interest rate swaps will mature in July 2024 and January 2025.

During the year ended 31 December 2022, the Singapore Dollars interest rate swap received floating rate interest equal to 3-month SOR ranged from 0.29% to 0.38% (2021: 0.17% to 0.30%) and pay fixed rates of interest at 0.55% (2021: 0.55%). The Singapore Dollars interest rate swaps had matured in May 2022.

The Group and the Company has not applied hedge accounting. Fair value gains and losses on interest rate swaps are recognised in profit or loss. The fair values of interest rate swaps shown above are determined by marked-to-market values provided by counterparties. The marked-to-market values obtained are determined by reference to market values for similar instruments.

### 30. Bank term loans

For The Financial Year Ended 31 December 2022

## 30. Bank term loans (cont'd)

Terms loans are generally secured by:

- first legal mortgage over the investment properties, development property and freehold and leasehold properties of the Group or Company;
- legal assignment of all sales and leasehold proceeds from the investment properties, development property and freehold and leasehold properties;
- legal assignment of tenancy, rental, lease and licence agreements;
- legal assignment of construction contract(s) and performance bonds;
- legal assignment of fire insurance policy; and
- corporate guarantee by the Company.

The Group's bank term loans generally bear interest at floating rates ranging from 2.03% to 5.34% (2021: 1.38% to 3.66%) above bank's fixed rates per annum during the year.

Deferred tax liabilities						
Provisions	146	147	(3)	1	143	147
Tax depreciation	510	560	19	111	-	_
	656	707	-	_	143	147
Deferred tax expense			16	112		

As at 31 December 2022, the Group had unutilised tax losses of approximately \$11,258,000 (2021: \$9,993,000) available for offset against future taxable income, for which no deferred tax asset is recognised due to uncertainty of its recoverability. The use of these tax losses is subject to the agreement of the tax authorities and compliance with certain provisions of the tax legislation of the respective countries in which certain subsidiaries operate.

#### Tax consequences of proposed dividends

There are no income tax consequences (2021: Nil) attached to the dividends to the shareholders proposed by the Company but not recognised as a liability in the financial statements (Note 44).

#### Unrecognised temporary differences relating to investments in associates

At the end of the reporting period, no deferred tax liability (2021: \$Nil) has been recognised for taxes that would be payable on the undistributed earnings of certain of the Group's overseas associates as the overseas associates of the Group cannot distribute its earnings until it obtains the consent of the shareholders. At the end of the reporting period, the Group does not foresee giving such consent.

Such temporary differences for which no deferred tax liability has been recognised aggregate to \$15,000 (2021: \$15,000).

## 34. Share capital

	Group and Company				
	Number of shares issued				
	2022	2021	2022	2021	
			\$'000	\$'000	
Issued and fully paid:					
At the beginning and end of year	487,734,735	487,734,735	86,624	86,624	

The holders of ordinary shares are entitled to receive dividends as and when declared by the Company. All ordinary shares carry one vote per share without restrictions. The ordinary shares have no par value.

For The Financial Year Ended 31 December 2022

### 35. Foreign currency translation reserve

The foreign currency translation reserve represents exchange differences arising from the translation of the financial statements of foreign operations whose functional currencies are different from that of the Group's presentation currency.

### 36. Leases

#### Group as a lessee

(a) Right-of-use assets

The Group has lease contracts for the rental of office premises and leasehold lands. These leases have an average tenure of 125 and 175 years respectively. Lease terms do not contain restrictions on the Group's activities concerning dividends, additional debt or further leasing.

The Group also has certain leases with lease terms of 12 months or less and leases with low value. The Group applies the 'short-term lease' and 'lease of low-value assets' recognition exemptions for these leases.

The carry amounts of the right-of-use assets recognised and the movements during the year is set out in Note 11 – Property, plant and equipment.

	Lease	Leasehold land		
	2022	2021		
	\$'000	\$'000		
Group				
As at 1 January	5,709	6,087		
Exchange differences	(811)	(248)		
Depreciation charge for the year	(160)	(130)		
As at 31 December	4,738	5,709		

#### (b) Lease liabilities

	Gro	Group		pany
	2022	2021	2022	2021
	\$'000	\$'000	\$'000	\$'000
Lease liabilities				
- current	297	333	_	_
- non-current	4,640	5,555	_	_
	4,937	5,888	-	-

The movements of lease liabilities during the year are disclosed in Note 31 and the maturity analysis is disclosed in Note 41(b).

For The Financial Year Ended 31 December 2022

## 36. Leases (cont'd)

### Group as a lessee (cont'd)

(c) Amounts recognised in profit or loss

	Gro	oup
	2022	2021
	\$'000	\$'000
Depreciation of right-of-use assets	160	130
Interest expense on lease liabilities (Note 7)	329	345
Total amount recognised in profit or loss	489	475

#### (d) Total cash outflow

The Group had total cash outflows for leases of \$338,000 (2021: \$462,000).

#### Group as a lessor

The Group has entered into property leases on its investment properties. These non-cancellable leases have remaining lease terms of between one and five years.

Future minimum rental receivables under non-cancellable operating leases at the end of the reporting period are as follows:

	Gre	oup
	2022	2021
	\$'000	\$'000
Lease payments receivables		
- not later than 1 year	5,205	5,344
- 1 year through 5 years	7,408	5,250
	12,613	10,594

For The Financial Year Ended 31 December 2022

### 37. Related party transactions

#### (a) Sale and purchase of goods and services

In addition to the related party information disclosed elsewhere in the financial statements, the following transactions between the Group and Company and their related parties took place during the year at terms agreed between the parties:

	Gro	bup	Com	ipany
	2022	2021	2022	2021
	\$'000	\$'000	\$'000	\$'000
Income

	2,759	2,242	

For The Financial Year Ended 31 December 2022

### 38. Contingencies

The Company has provided corporate guarantees to banks and financial institutions of \$426,758,000 (2021: \$492,948,000) for credit facilities (Note 30) taken by its subsidiaries, joint venture companies and associated companies.

The Company has undertaken to provide continuing financial support to certain subsidiaries to enable them to operate as going concerns at least through twelve months from the date of the Directors' statements of the subsidiaries.

### 39. Classification of financial instruments

#### Classification

The table below is an analysis of the carrying amounts of financial instruments by categories as defined in SFRS(I) 9 as at 31 December:

	Group		Company	
	2022	2021	2022	2021
	\$'000	\$'000	\$'000	\$'000
Financial assets measured at amortised cost				
Amounts due from associated companies and joint				
venture companies (non-trade)	105,139	132,714	2,186	2,178
Trade receivables	683	1,679	-	-
Other receivables	64,191	64,713	18,547	18,916
Amounts due from subsidiaries (non-trade)	_	_	313,237	359,020
Amounts due from related parties (trade)	45	58	_	_
Fixed deposits	20,160	202	19,852	-
Cash and bank balances	39,631	45,109	9,736	13,667
	229,849	244,475	363,558	393,781

For The Financial Year Ended 31 December 2022

## 39. Classification of financial instruments (cont'd)

### Classification (cont'd)

	Gr	Group		Company	
	2022	2021	2022	2021	
	\$'000	\$'000	\$'000	\$'000	
Financial liabilities measured at amortised cost					
Trade and other payables (current)					
Trade payables	2,744	4,624	1,452	1,644

Total finance liabilities measured at amortised cost	529,815	592,220	288,801	304,192	
Financial asset/(liabilities) at fair value through profit or loss					
Derivative financial instruments	331	(101)	331	(101)	

For The Financial Year Ended 31 December 2022

### 40. Fair value of assets and liabilities

#### (a) Fair value hierarchy

The Group categories fair value measurements using a fair value hierarchy that is dependent on the valuation inputs used as follows:

- Level 1 Quoted prices (unadjusted) in active market for identical assets or liabilities that the Group can access at the measurement date,
- Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, and
- Level 3 Unobservable inputs for the asset or liability.

Fair value measurements that use inputs of different hierarchy levels are categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

#### (b) Fair value of financial instruments that are carried at fair value

Derivative financial instruments are valued using a valuation technique with market observable inputs which is categorised within Level 2 of the fair value hierarchy. The most frequently applied valuation techniques include forward pricing and swap models, using present value calculations. The models incorporate various inputs including the credit quality of counterparties and interest rate curves.

## (c) Fair value of financial instruments by classes that are not carried at fair value and whose carrying amounts are reasonable approximation of fair value

Management has determined that the carrying amounts of cash and bank balances and fixed deposits, current trade and other receivables (including amounts due from subsidiaries, related parties, associated companies and joint venture companies), current trade and other payables (including amounts due to subsidiaries) and accruals, current bank term loans and current bonds, based on their notional amounts, reasonably approximate their fair values because these are mostly short term in nature or are repriced frequently.

Non-current other receivables, other payables and accruals, amounts due to/from associated companies, joint venture companies and non-controlling interest reasonably approximate their fair values as the directors do not anticipate the carrying amounts recorded at the balance sheet date to be significantly different from the values that would eventually be settled.

Non-current bank term loans reasonably approximate their fair values as they are floating rate instruments that are re-priced to market interest rates on or near the end of the reporting period.

For The Financial Year Ended 31 December 2022

### 40. Fair value of assets and liabilities (cont'd)

## (d) Fair value of financial instruments by classes that are not carried at fair value and for which fair value is disclosed

The fair value of security deposits is calculated based on the present value of future cash outflows, discounted at the market interest rate at the reporting date.

The following table shows an analysis of the Group's non-current liabilities not measured at fair value for which fair value is disclosed.

	Fair value determined using significant unobservable inputs (Level 3)	Carrying amount
	Total	Total
	\$'000	\$'000
2022		
Liabilities		
Rental deposits	755	1,012
2021		
Liabilities		
Rental deposits	1,050	1,096

121

For The Financial Year Ended 31 December 2022

## 40. Fair value of assets and liabilities (cont'd)

#### (e) Level 3 fair value measurements

(i) Information about significant unobservable inputs used in Level 3 fair value measurements

The following table shows the information about fair value measurements using significant unobservable inputs (Level 3)

Description	Valuation techniques	Unobservable inputs	Range
Recurring fair value mea	surements		
2022			
Investment properties: Retail and commercial	Market comparable approach	Yield adjustments*	10% to 20% <sup>(1)</sup>
	Income approach	Capitalisation rate	4.65% to 5.25% <sup>(2)</sup>
Investment security Unquoted equity security <b>2021</b>	Net asset valuation	Note 1	Not applicable
Investment properties: Retail and commercial	Market comparable approach	Yield adjustments*	10% to 20% <sup>(1)</sup>
	Income approach	Capitalisation rate	4.50% to 5.25% <sup>(2)</sup>
Investment security Unquoted equity security	Net asset valuation	Note 1	Not applicable

\* The yield adjustments are made for any difference in the nature, location, condition or size of the specific property.

<sup>(1)</sup> A significant increase (decrease) in yield adjustments would result in a significantly higher (lower) fair value measurement.

<sup>(2)</sup> A significant increase (decrease) in capitalisation rate would result in a significantly lower (higher) fair value measurement.

Note 1 – Unquoted equity investment

The fair value of unquoted equity security measured at FVTOCI is estimated based on the net asset value (NAV) of the investee entity adjusted for the fair value of the underlying development property.

For The Financial Year Ended 31 December 2022

### 40. Fair value of assets and liabilities (cont'd)

#### (e) Level 3 fair value measurements (cont'd)

#### (i) Information about significant unobservable inputs used in Level 3 fair value measurements (cont'd)

The following table shows the impact on the Level 3 fair value measurement of assets and liabilities that are sensitive to changes in unobservable inputs that reflect reasonably possible alternative assumptions. The positive and negative effects are approximately the same.

		Effect of reasonably possible alternative assumptions			
	Carrying amount	Profit or loss	Other comprehensive income		
	\$'000	\$'000	\$'000		
2022					
Recurring fair value measurements					
Investment properties:					
- Retail and commercial	217,324	6,520	_		
2021					
Recurring fair value measurements					
Investment properties:					
- Retail and commercial	223,809	6,714	_		

In order to determine the effect of the above reasonably possible alternative assumptions, the Group adjusted the following key unobservable inputs used in the fair value measurement:

 For retail and commercial investment properties, freehold and leasehold land and buildings, the Group adjusted the yield adjustments by increasing and decreasing the adjustments by 3% depending on nature, location or condition of the specific property.

#### (ii) Movements in Level 3 assets and liabilities measured at fair value

During the year, the Group has recognised losses from fair value adjustments of investment properties which amounted to \$2,847,000 (2021: gains of \$1,260,000) (Note 12). The disclosure of the movement in investment properties in Note 12 constitutes a reconciliation of the movement of assets which are measured at fair value based on significant unobservable inputs.

#### (iii) Valuation policies and procedures

The senior management of the Group (the "Management") oversees the Group's financial reporting valuation process and is responsible for setting and documenting the Group's valuation policies and procedures. In this regard, the Management reports to the Group's Audit Committee.

For all significant financial reporting valuations using valuation models and significant unobservable inputs, it is the Group's policy to engage external valuation experts to perform the valuation. The Management is responsible for selecting and engaging valuation experts that possess the relevant credentials and knowledge on the subject of valuation, valuation methodologies, and SFRS(I) 13 fair value measurement guidance.

For The Financial Year Ended 31 December 2022

### 40. Fair value of assets and liabilities (cont'd)

#### (e) Level 3 fair value measurements (cont'd)

#### (iii) Valuation policies and procedures (cont'd)

For valuations performed by external valuation experts, the Management reviews the appropriateness of the valuation methodologies and assumptions adopted. The Management also evaluates the appropriateness and reliability of the inputs used in the valuations.

Significant changes in fair value measurements from period to period are evaluated by the Management for reasonableness. Key drivers of the changes are identified and assessed for reasonableness against relevant information from independent sources, or internal sources if necessary and appropriate.

### 41. Financial risk management objectives and policies

The Group and the Company are exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks include credit risk, liquidity risk, interest rate risk and foreign currency risk. The board of directors reviews and agrees policies and procedures for the management of these risks, which are executed by the Executive Directors. The Audit Committee provides independent oversight to the effectiveness of the risk management process. It is, and has been throughout the current and previous financial year the Group's policy that no derivatives shall be undertaken except for the use as hedging instruments where appropriate and cost-efficient. The Group and the Company do not apply hedge accounting.

The Group also had an interest rate swap facility. The purpose is to manage the interest rate risks arising from the Group's operations and sources of financing. Details of the derivative financial instruments are disclosed in Note 29.

The following sections provide details regarding the Group's and Company's exposure to the above-mentioned financial risks and the objectives, policies and processes for the management of these risks.

There has been no change to the Group's and Company's exposure to these financial risks or the manner in which it manages and measures the risk.

#### (a) Credit risk

Credit risk is the risk of loss that may arise from outstanding financial instruments should a counterparty default on its obligations. The Group's and the Company's exposure to credit risk arises primarily from trade and other receivables. For other financial assets (including cash and cash equivalents), the Group and the Company minimise credit risk by dealing exclusively with high credit rating counterparties.

The Group's objective is to seek continual revenue growth while minimising losses incurred due to increased credit risk exposure. The Group trades only with recognised and creditworthy third parties. It is the Group's policy that all customers who wish to trade on credit terms are subject to credit verification procedures. In addition, receivable balances are monitored on an ongoing basis with the result that the Group's exposure to bad debts is not significant.

For The Financial Year Ended 31 December 2022

### 41. Financial risk management objectives and policies (cont'd)

#### (a) Credit risk (cont'd)

#### Exposure to credit risk

At the end of the reporting period, the Group's and the Company's maximum exposure to credit risk is represented by:

- the carrying amount of each class of financial assets recognised in the balance sheets; and
- a nominal amount of \$426,758,000 (2021: \$492,948,000) relating to corporate guarantees provided by the Company to the banks and financial institutions on subsidiaries, joint ventures and associated companies' credit facilities.

#### Credit risk concentration profile

The Group determines concentrations of credit risk by monitoring the country profile of its trade receivables on an on-going basis.

At the end of the reporting period, 58% and 42% (2021: 37% and 63%) of the Group's trade receivables were due from customers located in Singapore and United Kingdom respectively and they are generally settled on cash basis.

#### Financial guarantees and cash and cash equivalents

There is no allowance for expected credit loss on the Group's and Company's financial guarantees and cash and cash equivalents as at 31 December 2021 and 31 December 2022 as the expected credit loss is not material.

#### Trade receivables

The Group has applied the simplified approach to provide for impairment for ECLs prescribed by SFRS(I) 9, which permits the use of the lifetime expected loss provision for impairment of all trade receivables. To measure the ECLs, trade receivables have established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment. Since the Group's historical credit loss experience on trade receivables balances were minimal, the loss allowance for these receivable balances as a result of applying the ECL model was therefore immaterial.

#### Amount due from associated companies and joint venture companies (non-trade)

The Group manages its credit risk from amount due from associated companies and joint venture companies (non-trade) by assessing the profitability of hotel properties operating performance and the profitability of development properties of its associated companies and joint venture companies on an ongoing basis. The ECL allowance in respect of these balances are disclosed in Note 17.

#### Other receivables

The Group's other receivables mainly comprised of senior notes and promissory notes where the Group manages its credit risk based the profitability of the underlying investments on an ongoing basis. Based on the current market condition, the Group have assessed that there is a significant increase in credit risk since the initial recognition and have applied a lifetime expected loss provision for the impairment of these other receivables. The ECL allowance in respect of these balances are disclosed in Note 22.

For The Financial Year Ended 31 December 2022

### 41. Financial risk management objectives and policies (cont'd)

#### (a) **Credit risk (cont'd)**

Amount due from subsidiaries (non-trade)

These balances represent amounts lent to its subsidiaries to satisfy their long and short-term funding requirements. Impairment on these balances has been measured on the 12-month expected loss basis which reflects the low credit risk of the exposure. The ECL allowance in respect of these balances are disclosed in Note 23.

#### (b) Liquidity risk

Liquidity risk is the risk that the Group or the Company will encounter difficulty in meeting financial obligations due to shortage of funds. The Group's and the Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. The Group's and the Company's objective is to maintain a balance between continuity of funding and flexibility through the use of stand-by credit facilities.

The Group's and the Company's liquidity risk management policy is to maintain sufficient liquid financial assets and stand-by credit facilities with banks. At the end of the reporting period, approximately 17% (2021: 7%) of the Group's loans and borrowings (Note 39) will mature in less than one year based on the carrying amount reflected in the financial statements.

The table below summarises the maturity profile of the Group's and the Company's financial assets and liabilities at the end of the reporting period based on contractual undiscounted payments.

### 41. Financial risk management objectives and policies (cont'd)

#### (C) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Group's and the Company's financial instruments will fluctuate because of changes in market interest rates. The Group's and the Company's exposure to interest rate risk arises primarily from their loans and borrowings, interest-bearing loans given to related parties and fixed deposits.

The Group's policy is to manage interest cost using floating rate debts.

Sensitivity analysis for interest rate risk

At the end of the reporting period, if interest rates had been 75 (2021: 75) basis points lower/higher with all other variables held constant, the Group's profit net of tax would have been \$2,217,000 (2021: \$2,221,000) higher/lower, arising mainly as a result of lower/higher interest expense on floating rate loans and borrowings.

The following tables sets out the carrying amount, by maturity, of the Group's and Company's financial instruments that are exposed to material interest rate risk:

	Note	<b>Within 1 year</b> \$'000	<b>1 to 5 Years</b> \$'000	<b>Total</b> \$'000
<b>Group 2022</b> <i>Floating rate</i> Bank term loans	30	21,334	314,687	336,021
<b>2021</b> <i>Floating rate</i> Bank term loans	30	32,215	343,961	376,176
Company 2022 Floating rate				
Bank term loans 2021 <i>Floating rate</i>	30	1,176	2,019	3,195
Bank term loans	30	5,176	3,231	8,407

Interest on financial instruments subject to floating interest rates is contractually repriced at intervals of less than 6 months. Interests on financial instruments at fixed rates are fixed until the maturity of the instrument. The other financial instruments of the Group and Company that are not included in the above tables are not subject to material interest rate risks.

For The Financial Year Ended 31 December 2022

## 41. Financial risk management objectives and policies (cont'd)

#### (d) Foreign currency risk

The Group's foreign currency risk arises mainly from the Group's operations in the United Kingdom, Thailand, Japan and Bhutan. The results and financial position of foreign operations are translated into SGD as disclosed under Note 2.9(b). Accordingly, the Group's balance sheet may be affected by fluctuations in the exchange rate between Pound Sterling ("GBP"), Japanese Yen ("JPY"), Australian Dollar ("AUD"), US Dollar ("USD"), Bhutanese Ngultrum ("BTN") and Singapore dollar. It is not the Group's policy to hedge exposures arising from such translations. The Group's strategy is to fund overseas operations with borrowings denominated in their functional currency as a natural hedge against overseas assets.

The Group and the Company also hold cash and cash equivalents denominated in foreign currencies for working capital purposes. At the end of the reporting period, such foreign currency balances are as follows:

	Group		Company			
	2022 2021		2022 2021 2022		2022	2021
	\$'000	\$'000	\$'000	\$'000		
Pound Sterling ("GBP")	25,103	27,346	4,639	6,834		
Japanese Yen ("JPY")	1,971	2,160	247	4		
Australian dollar ("AUD")	859	1,040	189	377		
US dollar ("USD")	49	330	49	330		
Bhutanese Ngultrum ("BTN")	967	301	—	_		

#### Sensitivity analysis for foreign currency risk

The following table demonstrates the sensitivity to a reasonably possible change in the AUD, GBP, THB, JPY and BTN exchange rates (against SGD), with all other variables held constant, of the Group's (loss)/profit net of tax and equity.

		2022		2021	
		Profit/(loss) net of tax \$'000	<b>Equity</b> \$'000	Profit/(loss) net of tax \$'000	<b>Equity</b> \$'000
AUD	- strengthened 3% (2021: 3%) - weakened 3% (2021: 3%)	131 (131)	116 (116)	3 (3)	87 (87)
GBP	- strengthened 3% (2021: 3%) - weakened 3% (2021: 3%)	67 (67)	(4,202) 4,202	157 (157)	(3,927) 3,927
THB	- strengthened 3% (2021: 3%) - weakened 3% (2021: 3%)	_	782 (782)	1 (1)	736 (736)
JPY	- strengthened 3% (2021: 3%) - weakened 3% (2021: 3%)	(3) 3	(533) 533	12 (12)	647 (647)
BTN	- strengthened 3% (2021: 3%) - weakened 3% (2021: 3%)	-	168 (168)	11 (11)	151 (151)

For The Financial Year Ended 31 December 2022

### 42. Capital management

The primary objective of the Group's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximise shareholder value.

The Group manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. No changes were made in the objectives, policies or processes during the years ended 31 December 2022 and 31 December 2021.

The Group monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Group includes within net debt, loans and borrowings, trade and other payables, less cash and cash equivalents. Capital includes equity attributable to the equity owners of the Company.

		Group		
	Note	2022	2021	
		\$'000	\$'000	
Trade and other payables	39	17,757	19,139	
Loans and borrowings	39	512,058	573,081	
Less:				
Cash and cash equivalents	-	(39,631)	(45,311)	
Net debt		490,184	546,909	
Equity attributable to owners of the Company	_	426,332	450,720	
Capital and net debt		916,516	997,629	
Gearing ratio		53%	55%	

#### 43. Segment information

For management purposes, the Group is organised into business units based on their products and services, and has four reportable operating segments as follows:

- I. The property investment segment is engaged in the leasing of residential, retail and commercial properties.
- II. The property development segment is involved in the development and sale of private residential properties.
- III. The corporate segment is involved in Group-level corporate services and treasury functions.
- IV. The hospitality segment is involved in hotel operations and related services.

Except as indicated above, no operating segments have been aggregated to form the above reportable operating segments.

For The Financial Year Ended 31 December 2022

## 43. Segment information (cont'd)

Management monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on operating profit or loss which in certain respects, as explained in the table below, is measured differently from operating profit or loss in the consolidated financial statements. Group financing and income taxes are managed on a group basis and are not allocated to operating segments.

Transfer prices between operating segments are on an arm's length basis in a manner similar to transactions with third parties.

#### Geographical information

Revenue and non-current assets information based on geographical location of customers and assets respectively are as follow:

	Reve	Revenue		ent assets	
	2022 2021 2022		2022 2021		2021
	\$'000	\$'000	\$'000	\$'000	
Singapore	8,672	18,791	413,229	419,582	
United Kingdom	53,599	30,988	348,927	386,246	
Others	655	668	80,997	85,007	
	62,926	50,447	843,153	890,835	

Non-current assets information presented above consist mainly of property, plant and equipment and investment properties as presented in the consolidated balance sheet.

For The Financial Year Ended 31 December 2022

## 45. Event occurring after reporting period

The Group incorporated a 70%-owned subsidiary, Sapporo Star Pte. Ltd., on 27 February 2023, which entered into an agreement for the sale and purchase of a 123-bedroom hotel in Sapporo, Hokkaido, Japan on 17 March 2023. The aggregate consideration for the purchase is approximately \$17.5 million. The property will be held through a trust structure and leased to a local operator upon completion, currently scheduled in second quarter of 2023.

## 46. Authorisation of financial statements for issue

The financial statements for the year ended 31 December 2022 were authorised for issue in accordance with a resolution of the directors on 20 March 2023.

STATISTICS OF SHAREHOLDERS

As at 15 March 2023

## SHARE CAPITAL

Number of Issued shares	:	487,734,735

NOTICE IS HEREBY GIVEN that the Annual General Meeting of the Company will be held at the Emerald Suite, Orchid Country Club, 1 Orchid Club Road, Singapore 769162, on Wednesday, 26 April 2023 at 10.00 a.m., for the purpose of transacting the following business:

### **ORDINARY BUSINESS**

- 1. To receive, consider and adopt the Audited Financial Statements for the financial year ended 31 Resolution 1 December 2022 and the Directors' Statement and the Auditor's Report thereon.
- 2. To declare a 1-tier tax exempt final dividend of 0.375 Singapore cents per share in respect of the Resolution 2 financial year ended 31 December 2022.
- 3. To approve Directors' fees of S\$154,000 for the financial year ended 31 December 2022. (2021: Resolution 3 S\$226,000)
- 4. To re-elect Er Dr Lee Bee Wah, a Director retiring pursuant to Article 77 of the Company's Resolution 4 Constitution and who, being eligible, offer herself for re-election. *(See Explanatory Note)*
- 5. To re-elect Mr Li Hiaw Ho, a Director retiring pursuant to Article 77 of the Company's Resolution 5 Constitution and who, being eligible, offer himself for re-election. *(See Explanatory Note)*
- 6. To re-elect Mr Toh Giap Eng, a Director retiring by rotation pursuant to Article 95(2) of the Resolution 6 Company's Constitution and who, being eligible, offer herself for re-election. *(See Explanatory Note)*
- 7. To re-appoint Messrs Ernst & Young LLP as Auditors and to authorise the Directors to fix their Resolution 7 remuneration.

### **SPECIAL BUSINESS**

To consider and, if thought fit, to pass, with or without modifications, the following resolution as ordinary resolution:-

- 8. That pursuant to Section 161 of the Companies Act 1967 and in accordance with the listing rules Resolution 8 of Singapore Exchange Securities Trading Limited (the "**SGX-ST**"), authority be and is hereby given to the Directors to:
  - (a) (i) allot and issue shares in the capital of the Company ("**shares**") whether by way of rights, bonus or otherwise; and/or
    - (ii) make or grant offers, agreements or options (collectively, "**Instruments**") that might or would require shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) warrants, debentures or other instruments convertible into shares,

at any time and upon such terms and conditions and for such purposes and to such persons as the Directors may in their absolute discretion deem fit; and

(b) (notwithstanding the authority conferred by this Resolution may have ceased to be in force) issue shares in pursuance of any Instrument made or granted by the Directors while this Resolution was in force,

#### **PROVIDED THAT**

- (1) the aggregate number of shares to be issued pursuant to this Resolution (including shares to be issued in pursuance of Instruments made or granted pursuant to this Resolution) does not exceed 50% of the total number of issued shares in the capital of the Company, excluding treasury shares and subsidiary holdings (if any), (as calculated in accordance with sub-paragraph (2) below), of which the aggregate number of shares to be issued other than on a *pro-rata* basis to shareholders of the Company (including shares to be issued in pursuance of Instruments made or granted pursuant to this Resolution) shall not exceed 20% of the total number of issued shares in the capital of the Company, excluding treasury shares and subsidiary holdings (if any), (as calculated in accordance with sub-paragraph (2) below);
- (2) (subject to such manner of calculation and adjustments as may be prescribed by the SGX-ST) for the purpose of determining the aggregate number of shares that may be issued under sub-paragraph (1) above, the percentage of issued shares shall be based on the total number of issued shares in the capital of the Company, excluding treasury shares and subsidiary holdings (if any), at the time this Resolution is passed, after adjusting for:
  - new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which were issued and are outstanding or subsisting at the time this Resolution is passed; and
  - (ii) any subsequent bonus issue, consolidation or subdivision of the shares,

and, in sub-paragraph (1) above and this sub-paragraph (2), "subsidiary holdings" has the meaning given to it in the Listing Manual of the SGX-ST;

- (3) in exercising the authority conferred by this Resolution, the Company shall comply with the provisions of the Listing Manual of the SGX-ST for the time being in force (unless such compliance has been waived by the SGX-ST) and the Constitution for the time being of the Company; and
- (4) (unless revoked or varied by the Company in general meeting) the authority conferred by this Resolution shall continue in force until the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required by law to be held, whichever is the earlier. *(See Explanatory Note)*
- 9. To transact any other business.

BY ORDER OF THE BOARD

#### **Hoh Chin Yiep**

Executive Director & Chief Executive Officer

Singapore 4 April 2023

#### **Explanatory Notes:**

#### Resolution 4

Er Dr Lee Bee Wah, Chairman of the Nominating Committee, a member of the Audit Committee and a member of Remuneration Committee, will continue to serve in these capacities if re-elected as a Director of the Company. Er Dr Lee is considered independent for the purpose of Rule 704(8) of the Listing Manual of the Singapore Exchange Securities Trading Limited (the "**SGX-ST**").

Detailed information on Er Dr Lee (including information as set out in Appendix 7.4.1. of the Listing Manual of SGX-ST) can be found under "Board of Directors" and "Report on Corporate Governance" in the Company's Annual Report 2022.

#### **Resolution 5**

Mr Li Hiaw Ho, a member of the Audit Committee and a member of Remuneration Committee, will continue to serve in these capacities if re-elected as a Director of the Company. Mr Li is considered independent for the purpose of Rule 704(8) of the Listing Manual of SGX-ST.

Detailed information on Mr Li (including information as set out in Appendix 7.4.1. of the Listing Manual of SGX-ST) can be found under "Board of Directors" and "Report on Corporate Governance" in the Company's Annual Report 2022.

#### **Resolution 6**

Mr Toh Giap Eng, Executive Chairman, a member of Nominating Committee, will continue to serve in these capacities if re-elected as a Director of the Company.

Detailed information on Mr Toh (including information as set out in Appendix 7.4.1. of the Listing Manual of SGX-ST) can be found under "Board of Directors" and "Report on Corporate Governance" in the Company's Annual Report 2022.

#### **Resolution 8**

Resolution 8, if passed, will empower the Directors of the Company to issue shares in the capital of the Company and to make or grant instruments (such as warrants or debentures) convertible into shares, and to issue shares in pursuance of such instruments, up to a number not exceeding in total fifty per cent. (50%) of the total number of issued shares (excluding treasury shares and subsidiary holdings (if any)) in the capital of the Company, with a sub-limit of twenty per cent. (20%) for issues other than on a pro rata basis to shareholders. For the purpose of determining the aggregate number of shares that may be issued, the percentage of issued shares shall be based on the total number of issued shares (excluding treasury shares and subsidiary holdings (if any)) in the capital of the Company at the time that this resolution is passed, after adjusting for (a) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which were issued and are outstanding or subsisting at the time that this resolution is passed, and (b) any subsequent bonus issue or consolidation or subdivision of shares.

#### Notes:

1. The Annual General Meeting ("AGM") is being convened, and will be held, in a wholly physical format, at the Emerald Suite, Orchid Country Club, 1 Orchid Club Road, Singapore 769162, on Wednesday, 26 April 2023 at 10.00 a.m. (Singapore time), pursuant to the COVID-19 (Temporary Measures) (Alternative Arrangements for Meetings for Companies, Variable Capital Companies, Business Trusts, Unit Trusts and Debenture Holders) Order 2020. There will be no option for shareholders to participate in the AGM virtually. Printed copies of this Notice will not be sent to shareholders. Instead, this Notice will be sent to shareholders by electronic means via publication on the Company's website at the URL <a href="http://www.heeton.com/investor-relations/announcements/">http://www.heeton.com/investor-relations/announcements/</a> and the SGX website at the URL <a href="http://www.sgx.com/securities/company-announcements">http://www.sgx.com/securities/company-announcements/</a> and the SGX website at the URL <a href="http://www.sgx.com/securities/company-announcements">http://www.sgx.com/securities/company-announcements/</a>.

The Company may implement such COVID-19 safe management measures (including vaccination-differentiated safe management measures) at the Annual General Meeting as may be required or recommended under any regulations, directives, measures or guidelines that may be issued from time to time by any government or regulatory agency in light of the COVID-19 situation in Singapore. Shareholders should check the Company's website at the URL <a href="http://www.heeton.com/investor-relations/announcements/">http://www.heeton.com/investor-relations/announcements/</a> and the SGX website at the URL <a href="https://www.sgx.com/securities/company-announcements">https://www.sgx.com/securities/company-announcements/</a>

- 2. Arrangements relating to attendance at the AGM by shareholders, including CPF and SRS investors, submission of questions to the Chairman of the AGM by shareholders, including CPF and SRS investors, in advance of, or at, the AGM, addressing of substantial and relevant questions in advance of, or at, the AGM, and voting at the AGM by shareholders, including CPF and SRS investors, or (where applicable) duly appointed proxy(ies), are set out in the accompanying Company's announcement dated 4 April 2023. This announcement may be accessed at the Company's website at the URL <a href="http://www.heeton.com/investor-relations/announcements/">http://www.heeton.com/investor-relations/announcements/</a> and the SGX website at the URL <a href="https://www.sgx.com/securities/">https://www.sgx.com/securities/</a> company-announcements.
- 3. (a) A member of the Company (other than a member who is a relevant intermediary) entitled to attend and vote at the AGM is entitled to appoint not more than two (2) proxies to attend and vote on his/her behalf.
  - (b) A member who is a relevant intermediary is entitled to appoint more than two (2) proxies to attend and vote at the AGM, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such member. Where such member's form of proxy appoints more than two proxies, the number and class of shares in relation to which each proxy has been appointed shall be specified in the form of proxy.

"Relevant intermediary" has the meaning ascribed to it in Section 181 of the Companies Act 1967.

A member can appoint the Chairman of the AGM as his/her/its proxy, but this is not mandatory.

CPF or SRS investors unable to attend but who wish to vote by proxy should approach their respective CPF Agent Banks or SRS Operators to submit their votes by 10.00 a.m. on 14 April 2023.

Where a member (whether individual or corporate) appoints the Chairman of the AGM as his/her/its proxy, he/she/it must give specific instructions as to voting, or abstentions from voting, in respect of a resolution in the form of proxy, failing which the appointment of the Chairman of the AGM as proxy for the resolution will be treated as invalid.

- 4. A proxy need not be a member of the Company.
- 5. The instrument appointing a proxy or proxies that has been executed by a member, together with the power of attorney or other authority (if any) under which it is signed (or a certified copy thereof), must be submitted to the Company in the following manner:
  - (a) if submitted by post, be lodged with the Company at 60 Paya Lebar Road, #08-36 Paya Lebar Square, Singapore 409051; or
  - (b) if submitted electronically, be submitted, via email to gpc@mncsingapore.com,
  - in each case, not less than 72 hours before the time set for holding the meeting.

#### **Personal Data Privacy**

By submitting an instrument appointing a proxy(ies) and/or representative(s) to attend, speak and vote at the Annual General Meeting and/or any adjournment thereof, a member of the Company (i) consents to the collection, use and disclosure of the member's personal data by the Company (or its agents or service providers) for the purpose of the processing, administration and analysis by the Company (or its agents or service providers) of proxies and representatives appointed for the Annual General Meeting (including any adjournment thereof) and the preparation and compilation of the attendance lists, minutes and other documents relating to the Annual General Meeting (including any adjournment thereof), and in order for the Company (or its agents or service providers) to comply with any applicable laws, listing rules, take-over rules, regulations and/or guidelines (collectively, the "**Purposes**"), (ii) warrants that where the member discloses the personal data of the member's proxy(ies) and/or representative(s) to the Company (or its agents or service providers), the member has obtained the prior consent of such proxy(ies) and/or representative(s) for the collection, use and disclosure by the Company (or its agents or service providers) of the personal data of such proxy(ies) and/or representative(s) for the collection, use and disclosure by the Company (or its agents or service providers) of such prior consent upon reasonable request, and (iv) agrees to indemnify the Company in respect of any penalties, liabilities, claims, demands, losses and damages as a result of the member's breach of warranty.

Dated this \_\_\_\_\_ day of \_\_\_\_\_ 2023

Total number of Shares Held:

Signature(s) of Member(s) or Common Seal

**IMPORTANT: PLEASE READ THE NOTES OVERLEAF** 

#### Notes:

- Please insert the total number of Shares held by you. If you have Shares entered against your name in the Depository Register (as defined in Section 81SF of the Securities and Futures Act 2001 of Singapore), you should insert that number of Shares. If you have Shares registered in your name in the Register of Members (maintained by or on behalf of the Company), you should insert that number of Shares. If you have Shares entered against your name in the Depository Register and Shares registered in your name in the Register of Members, you should insert the aggregate number of Shares entered against your name in the Depository Register and registered in your name in the Register of Members. If no number is inserted, the instrument appointing a proxy or proxies shall be deemed to relate to all the Shares held by you.
- 2. (a) A member of the Company (other than a member who is a relevant intermediary) entitled to attend and vote at the AGM is entitled to appoint not more than two (2) proxies to attend and vote on his/her behalf.
  - (b) A member who is a relevant intermediary is entitled to appoint more than two (2) proxies to attend and vote at the AGM, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such member. Where such member's form of proxy appoints more than two proxies, the number and class of shares in relation to which each proxy has been appointed shall be specified in the form of proxy.

"Relevant intermediary" has the meaning ascribed to it in Section 181 of the Companies Act 1967.

A member can appoint the Chairman of the AGM as his/her/its proxy, but this is not mandatory.

CPF and SRS investors unable to attend but who wish to vote by proxy should approach their respective CPF Agent Banks or SRS Operators to submit their votes by 10.00 a.m. on 14 April 2023.

- 3. Where a member (whether individual or corporate) appoints the Chairman of the AGM as his/her/its proxy, he/she/it must give specific instructions as to voting, or abstentions from voting, in respect of a resolution in the form of proxy, failing which the appointment of the Chairman of the AGM as proxy for the resolution will be treated as invalid.
- 4. A proxy need not be a member of the Company.
- 5. The instrument appointing a proxy or proxies that has been executed by a member, together with the power of attorney or other authority (if any) under which it is signed (or a certified copy thereof), must be submitted to the Company in the following manner:
  - (a) if submitted by post, be lodged with the Company at 60 Paya Lebar Road, #08-36 Paya Lebar Square, Singapore 409051; or
     (b) if submitted electronically, be submitted via email to gpc@mncsingapore.com,

in each case, not less than 72 hours before the time appointed for the holding of the meeting.

- 6. The instrument appointing a proxy(ies) must be under the hand of appointer or of his attorney duly authorised in writing. Where the instrument appointing a proxy(ies) is executed by a corporation, it must be executed either under its common seal or under the hand of an officer or attorney duly authorised.
- 7. Where the instrument appointing a proxy(ies) is signed by an attorney, the letter or power of attorney or other authority, if any, or a duly certified copy thereof shall (failing previous registration with the Company) be stamped.
- 8. A corporation which is a member may authorise by resolution of its directors or other governing body such person as it thinks fit to act as its representative at the meeting, in accordance with Section 179 of the Companies Act 1967.
- 9. In the case of joint holders of shares, any one of such persons may vote, but if more than one of such persons is present at the AGM, the person whose name stands first on the Register of Members or (as the case may be) in the Depository Register shall alone be entitled to vote.
- 10. Any alteration made to the instrument appointing a proxy(ies) should be initialled by the person who signs it.

**General:** The sending of a Proxy Form by a member does not preclude him from attending and voting in person at the meeting if he finds that he is able to do so. In such event, the relevant Proxy Forms will be deemed to be revoked. The Company shall be entitled to reject an instrument appointing a proxy or proxies if it is incomplete, improperly completed, illegible or where the true intentions of the appointer are not ascertainable from the instructions of the appointer specified on the instrument appointing a proxy or proxies. In addition, in the case of Shares entered in the Depository Register, the Company may reject an instrument appointing a proxy or proxies lodged if the member, being the appointer, is not shown to have Shares entered against his name in the Depository Register as at 72 hours before the time appointed for holding the meeting, as certified by The Central Depository (Pte) Limited to the Company.

**Personal Data Privacy:** By submitting an instrument appointing a proxy(ies) and/or representative(s), the member accepts and agrees to the personal data privacy terms set out in the notice of AGM.
